Debt Service Funds account for the accumulation of resources to make payments of principal and interest on general long-term debt.

---

DETENTION FACILITIES DEBT SERVICE FUND .....1.1

This fund provides for the scheduled interest and debt redemption payments on the bonded indebtedness for financing adult and juvenile detention facilities projects. The bond issue requires the establishment of a separate redemption and interest fund with an annual appropriation to cover principal and interest due, and a reserve to finance the following six months of interest and/or principal requirements until taxes are collected and available. The 2003-04 Proposed Budget reflects the scheduled changes in bond redemptions, interest costs, and reserve requirements.

MARINA DEL REY DEBT SERVICE FUND .....1.2

This fund provides for the scheduled payments of principal and interest on the Marina del Rey Certificates of Participation issued to help finance County operating expenses in fiscal year 1992-93. Marina del Rey revenues are specifically segregated for the purpose of repaying outstanding Certificates of Participation. Marina del Rey revenues remaining after scheduled payments are transferred back to the County. The 2003-04 Proposed Budget reflects the receipt of all anticipated Marina del Rey revenue, the payment of principal and interest on debt, and an estimated decrease in available transfers to the County.

This fund provides for various improvements to the County's 19 golf courses and is financed by a percentage of golf green fees. The 2003-04 Proposed Budget reflects a decrease in available financing for the continuation of various improvements to golf courses due to a decrease in anticipated revenue and projected carryover fund balance.

PARKS AND RECREATION - OAK FOREST MITIGATION FUND .....2.56

This program, established in 1991 and funded by developers' mitigation fees, is used to administer and manage specially designated oak forests. This also includes the relocation of oak trees, which would otherwise be lost due to development. This fund, established by the Board of Supervisors in 1982, is used to develop, construct, operate, and maintain off-highway vehicle recreational facilities in cooperation with the United States Forest Service. It is financed by the County's share of off-highway vehicle license and user fees, and various State grants for site acquisition and development. The 2003-04 Proposed Budget primarily reflects an increase in appropriation designated for future off-highway projects, and a decrease in carryover fund balance.

PARKS AND RECREATION - RECREATION FUND .....2.58

This fund provides for the reimbursement of operating costs and miscellaneous improvements associated with the collection and disbursement of parking fees in the San Gabriel Canyon recreation area under agreement with the United States Forest Service (USFS). The fund has been discontinued due to the USFS assuming these functions. The 2003-04 Proposed Budget reflects the elimination of this fund.

PARKS AND RECREATION - SPECIAL DEVELOPMENT FUND - REGIONAL PARKS .....2.60

This fund is used to develop, improve, and maintain the County's regional parks, including the Arboretum, South Coast Botanic Garden, Descanso Gardens, and Virginia Robinson Gardens. This program encompasses all unincorporated areas served by the County Library with funds being accumulated in seven developer fee planning areas. The 2003-04 Proposed Budget reflects an increase due to higher fund balance and revenue, as well as utilization of designations.

PUBLIC WORKS - ARTICLE 3 - BIKE FUND .....2.66

This budget provides for the acquisition, engineering, construction, and restoration of pedestrian and bicycle facilities. It is funded by a percentage of State sales taxes, Proposition C County sales taxes, and various State and discretionary grants. They include the Commuter Bikeway Signing, and the Arroyo Seco, Dominguez Channel, and San Jose bike trails.

PUBLIC WORKS - AVIATION CAPITAL PROJECTS .....2.67

This fund provides for planning studies and improvements to County-owned airports. PUBLIC WORKS - OFF-STREET METER AND PREFERENTIAL PARKING DISTRICTS FUND .....2.68

These districts provide for the operation and maintenance of metered street parking in various areas, security guard services for selected County-owned parking lots, and issuance of parking permits to the residents of Del Aire, El Camino, and Ladera Heights Preferential Parking Districts. The 2003-04 Proposed Budget provides funds for needed repair and replacement of parking meter equipment.

PUBLIC WORKS - PROPOSITION C LOCAL RETURN FUND ..... 2.69

On November 6, 1990, the voters approved Proposition C, which added one-half of one percent to the local sales tax in Los Angeles County for street improvements, public transit projects, and bikeway improvements. Funding is included for three major traffic signal synchronization projects and the Traffic Management Central Capital Project.

PUBLIC WORKS - ROAD FUND .....2.70

This budget unit is administered by the Public Library. For additional information, please refer to Page 51 in Volume I.

PUBLIC WORKS - SOLID WASTE MANAGEMENT FUND .....2.71

The Solid Waste Management Fund is financed by landfill tipping fees and a per-parcel service charge on real property in the unincorporated areas. It was established by the Board of Supervisors on September 15, 1991, to comply with the mandates of the California Integrated Waste Management Act of 1989 (AB 939). This Act required Los Angeles County and each city in the County to prepare, adopt, and implement separate Source Reduction, Recycling, and Household Hazardous Waste Programs. The Act also requires the Department of Public Works (DPW) to prepare the Countywide Integrated Waste Management Summary Plan and the Countywide Siting Element for all 88 cities within the County. This fund allows DPW to provide composting services to unincorporated areas as well as public education programs. The 2003-04 Proposed Budget reflects an increase for additional labor required to develop and administer a new franchise system for refuse, hazardous waste and solid waste management activities.

PUBLIC WORKS - SPECIAL ROAD DISTRICT SUMMARY .....2.72

Property taxes collected under the authority of the Street and Highway Code Section 1550 help finance the operation, maintenance, repair, and construction of roads and highways in the unincorporated area of Los Angeles County. SHERIFF - AUTOMATION FUND .....2.74

Section 26731 of the Government Code provides that \$5.00 of any fee collected by the Sheriff's Court Services Division shall be deposited into this special fund for the exclusive use of the Sheriff's Court Services Division. These funds may only be used for the purchase of auxiliary automation equipment and other operational equipment deemed necessary for the Division. The 2003-04 Proposed Budget reflects an increase in fixed assets appropriation primarily due to an increase in carryover fund balance.

SHERIFF - COUNTYWIDE WARRANT SYSTEM FUND .....2.75

Section 40508.5 of the Vehicle Code authorizes an assessment of \$15.00 upon persons who violate their written promise to appear, or for failure to pay a fine lawfully imposed by the court. SHERIFF - PROCESSING FEE FUND .....2.79

Section 26746 of the Government Code provides that a processing fee shall be assessed for each disbursement of money collected under a writ of attachment, execution, possession, or sale. Proceeds are used to offset the Sheriff's cost for replacement and maintenance of vehicles and equipment. The 2003-04 Proposed Budget reflects an increase in carryover fund balance for acquisition of service vehicles and inmate transportation buses.

SHERIFF - SPECIAL TRAINING FUND .....2.80

This fund was established by Board order in 1996 to fund law enforcement training programs. Revenue is received from law enforcement training provided to other law enforcement jurisdictions. # SPECIAL DISTRICTS

---

The following Special Districts provide a variety of specialized services to various locations throughout the County. They are financed by a combination of property taxes, benefit assessments, and user charges as a means of equitably distributing the costs of providing services to benefited properties and residents.

---

## FIRE DEPARTMENT/FIRE DEPARTMENT A.C.O. FUND .....3.2

This fund is administered by the Fire Department and provides funding for capital improvements, including the replacement and construction of additional fire stations. The 2003-04 Proposed Budget reflects a reduction in carryover fund balance and revenue for ongoing facility projects.

## PARKS AND RECREATION - LANDSCAPE MAINTENANCE DISTRICTS AND LLAD SUMMARY .....3.5

These districts provide for the development and maintenance of planted slopes, landscaped parkways, median panels, greenbelt areas, paseos, and open space areas. The 2003-04 Proposed Budget reflects an increase in carryover fund balance for the continuation of various services and improvements.

## PARKS AND RECREATION - RECREATION AND PARKS DISTRICTS AND LLAD SUMMARY.....3.6

These districts provide for the maintenance of landscaped areas and other open space areas designed within the boundary of the districts for which maintenance easements have been granted to the County. The 2003-04 Proposed Budget reflects a decrease in carryover fund balance for the continuation of various services and improvements.

## PUBLIC WORKS - FLOOD CONTROL DISTRICT SUMMARY .....3.7

This budget unit is administered by Public Works. For additional information, refer to page 51 in Volume I.

## PUBLIC WORKS - FLOOD CONTROL/DEBT SERVICES SUMMARY .....3.9

The Flood Control/Debt Services Budget provides for the redemption and interest payment of Flood Control District Storm Drain Bonds approved by the electorate in 1970. In addition, the budget provides funding for the District's 1993 General Obligation Refunding Bonds, which partially defeased outstanding Storm Drain Bonds. The 2003-04 Proposed Budget reflects an overall decrease in debt service requirements.

## PUBLIC WORKS - GARBAGE DISPOSAL DISTRICTS SUMMARY .....3.10

The Garbage Disposal Districts (GDD's) provide garbage and disposal services within specified unincorporated areas of Los Angeles County. The 2003-04 Proposed Budget reflects a decrease in planned refunds of the Garbage Collection and Service Fee. There is also a decrease in financing due to the detachment of the City of Bell Gardens from the Belvedere GDD. This budget also provides for the newly formed Lennox GDD beginning July 1, 2003.

PUBLIC WORKS - OTHER SPECIAL DISTRICTS SUMMARY .....3.11

Other Special Districts include the Antelope Valley Drainage Fee District, Drainage Special Assessment Areas and Public Works Construction Fee Districts. These districts provide a variety of services including: maintenance of dewatering wells; cleaning of catch, storm, and retention basins; and construction of roads and highways required for future development. The 2003-04 Proposed Budget provides for the routine administration and management of the drainage systems and anticipated activity in the various Bridge and Major Thoroughfare Construction Fee Districts (BMTCFD). There is a decrease of \$10 million for the seven BMTCFDs as a result of the reduction in anticipated construction activity on the Valencia BMTCFD. Also, the closeout of the Parkway/Calabasas BMTCFD was anticipated to occur in Fiscal Year 2002-03; however, the closeout was delayed pending the transfer of a parcel of land. Therefore, this activity is budgeted in Fiscal Year 2003-04, along with the refunding of unused fees to developers who have contributed to the district. An anticipated increase in activity for the Castaic Bridge is funded with additional developer fees.

PUBLIC WORKS - SEWER MAINTENANCE DISTRICTS SUMMARY.....3.12

The Sewer Maintenance Districts provide funding for the operation, construction and/or upgrades of sewer systems for two sewer maintenance districts, one accumulative capital outlay fund and nine tax zones. The 2003-04 Proposed Budget reflects a 20 percent rate increase for the Malibu Tax Zone to provide financing for anticipated increases in the operation, maintenance and repair of their pump and sewer stations. It also includes funding for the purchase of land and construction of improvements for a new Sewer Maintenance South Yard.

PUBLIC WORKS - STREET LIGHTING DISTRICTS/LLAD SUMMARY.....3.13

This budget provides for the operation, maintenance, and repair of street lighting in various districts throughout Los Angeles County. The 2003-04 Proposed Budget includes funding to continue services in existing districts and to provide services in the newly created 1616B Palmdale Lighting Maintenance District.

REGIONAL PARK AND OPEN SPACE DISTRICT SUMMARY .....3.14

On November 3, 1992, Los Angeles voters approved the Safe Neighborhood Parks Proposition, which established the Regional Park and Open Space District to fund the acquisition and development of park, recreation, and open space resources in the unincorporated and incorporated areas of the County through the collection of a benefit assessment on property. Subsequently, on November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition, which levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of excess District revenues for any authorized purpose of the District. The 2003-04 Proposed Budget reflects funding for both County and outside agency capital projects, financed through the benefit assessment and proceeds from two bond issues.

# Other Proprietary Funds

---

## OTHER PROPRIETARY FUNDS

---

Other Proprietary Funds (Enterprise and Internal Service Funds) account for those governmental activities which are similar to those found in the private sector.

Internal Service Funds account for the financing, on a cost-reimbursement basis, of goods or services provided by one department or agency to other departments or agencies of the County or other governmental units.

Enterprise Funds account for operations providing goods or services to the general public which are recovered primarily through user charges.

---

### HEALTH CARE SELF - INSURANCE FUND .....4.1

This fund was established by the Board of Supervisors on September 15, 1992, and became effective January 1, 1993, to provide nonrepresented employees with a self-funded health plan that offers a variety of health care options. The 2003-04 Proposed Budget reflects anticipated fund balance, and estimated expenditures and revenues based on prior-year experience.

### PUBLIC WORKS - AVIATION ENTERPRISE FUND .....4.2

This fund provides for the operation, maintenance, and repair of airport grounds, facilities and equipment, as well as the initiation and management of airport facility leases. This fund also provides for development and financing of County airport improvement projects and planning studies. The 2003-04 Proposed Budget funds increases in operating transfers to the Aviation Capital Projects Fund which are more than offset by decreases in funding for contingencies and equipment replacement at the five County airports.

### PUBLIC WORKS - INTERNAL SERVICE FUND .....4.3

This budget unit is administered by Public Works. For additional information, refer to page 51 of Volume I.

### PUBLIC WORKS - TRANSIT OPERATIONS FUND .....4.4

The Transit Operations Fund was created in 1979 to finance the operations of various bus transit projects and transit assistance programs throughout Los Angeles County. This fund finances the Edmund D. Edelman Children's Court Shuttle, the East Los Angeles Shuttle; the Los Nietos Community Shuttle; the Beach Bus Program; the Bus Pass Subsidy Program; the Non-Advertising Bus Shelter Program; the operation and maintenance of park-and-ride lots; and the Department of Public Social Services' Ticket and Token Subsidy Program for General Relief clients. The 2003-04 Proposed Budget reflects a decrease due to reduced fund balances.

### PUBLIC WORKS - WATERWORKS DISTRICTS .....4.5

This budget provides funding for the construction of water mains, tanks and maintenance facilities. The 2003-04 Proposed Budget provides funding for: the Topanga Forks/Topanga Oaks Water Main Replacement and Lower Bush Tank Replacement in Malibu (District 29); the Palmer Waterwell project in Val Verde (District 36); the 3220 Zone Tank Pumping Station in Acton (District 37); K8 and Division Booster Pumping Station; J4 and 15W Booster Pumping Station and Well 4-66, 4-67, 4-68- 4-62 (SA), 4-69, 4-70, 4-71, 4-72, 4-73, 4-74 projects in the Antelope Valley (District 40). The Proposed Budget also reflects a 32 to 34 percent rate increase for District 36 to offset increases in electricity and water costs.

## Other Funds

## OTHER FUNDS

The Community Development Commission is responsible for the County's housing and community development programs and services, including distribution of the Urban County Community Block Grant funds, administration of County redevelopment projects and management of a variety of housing program.

Services are funded through federal grant allocations and program income. These services include low- and moderate-income housing development and rehabilitation in unincorporated areas of the County and participating cities; community revitalization and loan assistance for small businesses; maintenance, management, and security of conventional public housing; and subsidies for privately owned rental units (Section 8) in unincorporated areas and cities.

Consistent with past practices, the Community Development Commission is submitting its detailed budget recommendations to the Board of Supervisors under separate cover. The final County budget will be updated to reflect the revised final estimates contained in the Community Development Commission's detailed submission.

---

### COMMUNITY DEVELOPMENT COMMISSION FUND.....5.1

This fund consists of appropriation and federal revenue, including Housing and Community Development Act funds, required for the Commission's expenses related to housing, redevelopment, and community revitalization. The 2003-04 Proposed Budget reflects a reduction in Community Development Block Grant revenue, a reduction in child care program funds, and a decrease in revenue due to less available tax increment funds for the East Los Angeles and Willowbrook projects.

### HOUSING AUTHORITY FUND .....5.2

This fund consists of appropriation and federal revenue required for the Authority's expenses related to its housing production, modernization and rental subsidy programs. The 2003-04 Proposed Budget reflects increased revenue due to increased lease rates for both the Assisted Housing and Housing Management programs.

The equipment identified on this page reflect County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing Corporation (LAC-CAL) in 2003-04. The County Board of Supervisors has not allocated, reserved or otherwise set aside any funds in the County's Proposed 2003-04 Budget to purchase the equipment identified above.

It is officially the intention of the County Board of Supervisors that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board of Supervisors expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board of Supervisors with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

Landscape Maintenance Districts

Landscape Maintenance Districts are established pursuant to the provisions of the Improvement Act of 1911, Streets and Highways Section 500 et seq. These Districts are specifically designed to create a tax entity in perpetuity for the purpose of maintaining landscape road medians, parkways, greenbelts, and other areas specifically designated in the formation of the District. Funding for these Districts is through ad valorem taxes.

Landscaping and Lighting Act Districts

The Landscaping and Lighting Act Districts are formed pursuant to the provisions of the Landscaping and Lighting Act of 1972 of Part 2 of Division 15 of the Streets and Highways Code of the State of California. These Districts provide for maintenance of landscaped areas and other open space areas designated within the boundary of the Districts for which maintenance easements have been granted to the County. Benefiting properties pay an assessment through their property taxes to maintain and service the landscaping and appurtenant improvements within these Districts.

PUBLIC WORKS--STREET LIGHTING DISTRICTS  
AND LLAD-STREET LIGHTING SUMMARY

FUND  
Various

Lighting Districts are established pursuant to the Streets and Highways Code, Highway Lighting District Act of 1909 and 1911, for the installation and maintenance of street lighting systems. Street Lighting Assessment Districts are formed under the provisions of the Landscaping and Lighting Act of 1972, Part 2, Division 15, of the Streets and Highways Code. The purpose of these districts is to levy an assessment on each lot or parcel based on benefits to be received from the existing street lighting improvements. This appropriation provides for the operation, maintenance, and repair of street lighting in various districts throughout Los Angeles County.

REGIONAL PARK AND OPEN SPACE DISTRICT SUMMARY

FUND  
Various

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.
