| Briefly provide a description of the incident/event: | <p style="text-align: center;">Summary Corrective Action Plan 2023-149</p> <p><b>Details in this document summarize the incident. The information provided is a culmination of various sources to provide an abstract of the incident.</b></p> <p>Multiple investigative reports indicate on May 18, 2022, an adult male (Suspect) was arrested by Deputies for being in possession of body armor as well as possession of a controlled substance for sales (methamphetamine). During the traffic stop, the Suspect admitted to not having a driver's license and to being on active probation. The Deputies were able to confirm the Suspect's name utilizing Los Angeles County Sheriff's Department resources, confirm his identity, and his active probation status.</p> <p>During the investigation, it appeared to the Deputies the Suspect was living out of his vehicle due to the quantity of personal items inside the vehicle. The Suspect told the Deputies he was homeless and was living out of his car which was registered to his father. The Suspect stated he usually parked at his father's house or stayed with his girlfriend. The Suspect was arrested and transported to and booked at Norwalk Station.</p> <p>Detective One and Detective Two were made aware of the arrest and prepared a search warrant for location they believed was the Suspect's residence. Detective One utilized four sources connecting the Suspect to the target location (known as a "nexus"). At the time, Detective One did not have any information that would lead him to believe that the Suspect was homeless.</p> <p>On May 19, 2022, at 2:00 a.m., Norwalk Station Operation Safe Streets Bureau team (Detectives One through Five and Sergeant One) served the warrant. Detectives knocked on the door to announce their presence, stated they had a search warrant, and demanded entry into the location. The Plaintiff requested the Detectives to provide identification prior to the Detectives making a forced entry into the home. The occupants (Plaintiffs) voluntarily exited the location and were escorted one at a time out of the residence.</p> <p>Plaintiff One was first escorted out of the house. He stated that only his wife (Plaintiff Two) and baby remained inside the residence. Plaintiff One also stated he had moved into the residence in August, six months prior to this search warrant. He told a Detective he thought they had the wrong person. Plaintiff One further said he had heard the previous residents were a "bunch of troublemakers."</p> |

|  |   |
|--|---|
|  | <p>Plaintiff Two, who was pregnant, was escorted outside. Minutes later, a Detective walked out with the baby and handed the baby to Plaintiff Two. Plaintiff Two told Detectives they moved into the house approximately six months earlier.</p> <p>Sergeant One spoke to Plaintiff One who told him that he had received mail for a man (same name as the suspect) at the address and further stated he did not know the Suspect.</p> <p>Sergeant One then spoke to Plaintiff Two, who stated she did not know the man who used to live in the house but had received mail for a man (same name as the Suspect) at the location when they first moved in. Plaintiff Two further stated she had not had any contact with him and only heard about him through neighbors.</p> <p>Sergeant One determined the Plaintiffs were the new homeowners and the Suspect no longer lived there. Sergeant One stated the location was not searched, and both Plaintiffs were released without further incident. Sergeant One left a Claims for Damages to Person or Property form for damage caused when Sheriff's Department members forced entry into the location.</p> |
|--|---|

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

A **Department** root cause in this incident is Detectives authored and executed a search warrant at the Plaintiff's residence based on the information provided during the time the Suspect was booked.

A **Department** root cause in this incident is Detectives did not communicate with the arresting Deputies about statements made by the Suspect regarding living in his vehicle.

A **non-Department** root cause in the incident is the Suspect did not provide accurate residential information to the arresting Deputies.

2. Briefly describe recommended corrective actions:  
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

The incident was thoroughly reviewed by representatives from Operation Safe Streets Bureau. The review concluded the Detectives were working within the guidelines of what is expected from personnel assigned to Operation Safe Streets Bureau and the Los Angeles County Sheriff's Department.

In the days following the incident, all teams at Operation Safe Streets Bureau were briefed on the importance of finding a solid nexus to a location for a search warrant using at least three current sources.

As a result of this incident, briefings occurred at each unit and continued for several months thereafter.

3. Are the corrective actions addressing Department-wide system issues?

- Yes – The corrective actions address Department-wide system issues.  
 No – The corrective actions are only applicable to the affected parties.
