

**WAIVER OF HAZARDOUS TREE REMOVAL**

4856-DR-CA Private Property Debris Removal

I, \_\_\_\_\_, owner of property commonly identified as

\_\_\_\_\_  
Street Address City, State Zip

("Premises"), having executed a Right of Entry Form for purposes of removal of any and all fire generated debris of whatever nature and understanding that upon completion of the debris removal, "hazardous trees" as identified by a professional arborist would also be removed, *request that trees identified on the attached sheet not be removed from the Premises.* The request is based on my intent to preserve culturally or personally significant trees on the Premises.

I understand that refusing hazardous tree removal may impact my ability to obtain a permit or rebuild on the Premises and that my local permitting agency will determine rebuild permitting requirements. I acknowledge that I am responsible for any potential hazards caused by the trees identified on the attached sheet.

I agree to indemnify, defend, hold harmless and release, the city, the County of Los Angeles, the State of California and the federal government, including their employees, officers, and agents, from and against any actions, enforcement actions or proceedings, claims, liability, costs, penalties, fines, damages, and expenses, including attorneys' fees, arising from, or in any way relating to, hazardous tree removal or non-removal at the Premises.
