Summary Corrective Action Plan

The intent of this form is to assist departments in writing a corrective action plan summary for attachment to the settlement documents developed for the Board of Supervisors and/or the County of Los Angeles Claims Board. The summary should be a specific overview of the claims/lawsuits' identified root causes and corrective actions (status, time frame, and responsible party). This summary does not replace the Corrective Action Plan form. If there is a question related to confidentiality, please consult County Counsel.

Date of incident/event:	April 19, 2021
Briefly provide a description of the incident/event:	<p style="text-align: center;">Summary Corrective Action Plan</p> <p>On December 19, 2020, Plaintiff was arrested by the Los Angeles County Sheriff's Department (LASD), Palmdale Station, for a violation of California Vehicle Codes (VC) §23152(a) – Driving While Under the Influence of Alcohol and/or Drugs (DUI), §14601.2(a) – Driving With a Suspended License From a Prior DUI, §23247(e) – Driving Without An Ignition Interlock Device, and §23222(a) – Driving With an Open Container. Plaintiff was booked at Palmdale Station and subsequently transported to the Inmate Reception Center (IRC) for processing into the jail system.</p> <p>On March 20, 2021, Plaintiff was moved to Men's Central Jail (MCJ), Module 3800, Cell A2. Module 3800 contains four (4) linear cell blocks with a varying number of four (4) person cells in each block.</p> <p>On April 19, 2021, at approximately 1036 hours, Plaintiff was returning to his cell from a movement pass. The module deputy opened cell A2, and Plaintiff entered the cell and waved toward the control booth. Once Plaintiff was fully inside his cell, the module deputy turned the control wheel, closing the cell gate. The module deputy then began to open a different cell gate.</p> <p>While opening the different cell gate, the handle for Plaintiff's cell gate slipped out of the closed position, causing the gate to open. Plaintiff is then seen sticking his head out of the cell.</p> <p>Approximately two (2) seconds later the cell gate began to close. Plaintiff appeared to attempt to hold the gate and then abruptly pulled his hand away. The cell gate is then reopened, and Plaintiff is seen exiting his cell holding his right hand, which appeared to be bleeding.</p> <p>Plaintiff was taken to the MCJ clinic and subsequently transported to Los Angeles County General Hospital (LAGH).</p>

	LAGH treated Plaintiff for injuries he sustained from the gate closing on him. He was subsequently discharged from the hospital and re-housed at MCJ, general population.
--	---

1. Briefly describe the **root cause(s)** of the claim/lawsuit:

The following departmental root causes were identified:

- The cell gate malfunctioning, causing it to unexpectedly reopen and then close.
- The public address system, used to warn individuals when the gates are moving, was inoperative, forcing personnel to make loud verbal announcements.

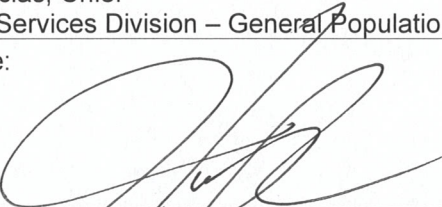

2. Briefly describe recommended corrective actions:
(Include each corrective action, due date, responsible party, and any disciplinary actions if appropriate)

- 1) After this incident Men's Central Jail conducted a review of the incident. Men's Central Jail determined that the involved deputy performed his duties satisfactorily and as expected for a deputy sheriff.
- 2) An emergency repair of the gate system was completed on April 30, 2021, to address operating concerns with the gates.
- 3) Men's Central Jail leadership conducted a re-brief of the cell gate closing policy, including the announcement requirement.
- 4) To address intermittent issues with the public address system in Module 3800, Facilities Services Bureau completed a replacement of the face cover and microphone connector for the public address system.
- 5) Men's Central Jail conducted a briefing with all personnel assigned to Men's Central Jail, reminding them to check gates/cells and to submit a work order immediately upon discovering a maintenance concern with a gate/cell.

3. Are the corrective actions addressing Department-wide system issues?

- Yes – The corrective actions address Department-wide system issues.
- No – The corrective actions are only applicable to the affected parties.
