ANIMAL CARE AND CONTROL

FUNCTION PUBLIC PROTECTION	FUND GENERAL FUND		ACTIVITY OTHER PROTECTION	

The Department of Animal Care and Control (Department), operating under State law and County ordinance, provides for public safety in the community through the removal and impoundment of domestic animals and livestock in the unincorporated areas of the County and contract cities. Central to the core mission of the Department are animal sheltering of impounded animals, adoption and placement of available animals, recovery of lost animals, rabies vaccination, and licensing of dogs and cats. The Department also provides for public education programs, spay and neuter surgeries, and evacuation of animals during fires and other emergencies. The Department operates six animal shelters which have veterinary medical clinics as part of their operations. Department costs are partially offset by revenue from pet licenses, income from contract cities, and fees collected for animals in the shelters.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects a net increase of \$324,000 primarily attributable to one-time funding for animal control field vehicles and a one-time decrease in the Department's revenue to address a projected revenue deficit related to the implementation of revised billing rates. These increases are partially offset by the deletion of one-time funding for animal control field vehicles and facility improvements and the Department's share of a reduction required to address the County's decrease in locally generated revenues.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects the merger of the Los Angeles County Human Relations Commission, Office of Ombudsman, and the consolidation of the Los Angeles County Commission on Aging with the Area Agency on Aging Advisory Council to optimize organizational efficiencies. It includes grant funding for the Young Offender Re-Entry program for development of a comprehensive blueprint to serve juvenile and young adult offenders returning from correctional facilities seeking to enter the workforce. The budget includes funding from the American Recovery and Reinvestment Act (ARRA) of 2009 to cover administrative costs to create new employment opportunities for adults, low-income seniors, youth and dislocated workers. The budget reflects the reduction of State funding which covered the administrative costs for the Linkages, Alzheimer's Day Care Resource Centers, and Respite Purchase of Service programs.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget is by and large funded by State and federal revenue with some net County cost. The budget includes funding from the American Recovery and Reinvestment Act (ARRA) of 2009 to create employment opportunities for adults, low-income seniors, youth and dislocated workers. ARRA funding is also provided for home-delivered nutrition services for seniors and support services for the Native American Indian population. The budget also reflects the reduction of State funding for Linkages, Alzheimer's Day Care Resource Centers, and Respite Purchase of Service programs. The budget also includes the transfer of the Domestic Violence Program to the Department of Public Social Services.

2009-10 ADOPTED BUDGET

The 2009-10 Final Adopted Budget reflects a net County cost decrease of \$6.110 million. This represents a curtailment to meet net County cost targets in Salaries & Employee Benefits and Service & Supplies. The Department curtailed a total of 145 positions (89 permanent and 56 part-time) consisting of 28 Deputy District Attorneys, 26 Investigators, and 91 Administrative Support Staff positions. The Department's Service & Supplies budget was reduced as a result of prior year carryover reversals and to also meet net County cost targets. The Adopted Budget was also impacted by revenue decreases in Prop 172, SB90, realignments of State/federal funds, and other program changes.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects an overall net reduction of 158.0 budgeted positions for the Department of Health Services (DHS). The Budget also reflects Financial Stabilization Plan savings, including reductions of vacant budgeted positions and other efficiencies, and unspecified net cost reductions as a deficit reduction placeholder to address DHS' 2009-10 funding shortfall.

The 2009-10 Adopted Budget also includes funding for ongoing costs for existing programs, revenue-offset program expansions, and additional staffing at the various County hospitals, health facilities, and central administration in order to achieve departmental priorities and other operational needs. The budget reflects a reduction in net County cost (NCC) primarily due to lower than anticipated Realignment Vehicle License Fee revenues; a reduction in one-time Tobacco Settlement funds used for DHS' 2008-09 operating costs; a reduction in one-time funding for the LAC+USC Replacement facility construction close-out costs; offset by an increase for the restoration of funding to Martin Luther King, Jr. Multi-Ambulatory Care Clinic that was previously placed in the Provisional Financing Uses budget unit, contingent upon the facility meeting a specified workload level, which was met during FY 2008-09; and an increase in Tobacco Settlement funds used as an intra-governmental transfer for the Managed Care Rate Supplement. The 2009-10 Adopted Budget is fully funded with available resources, including \$39.0 million from the DHS designation.

HOMELESS AND HOUSING PROGRAM

FUNCTION	FUND	ACTIVITY
PUBLIC ASSISTANCE	GENERAL FUND	OTHER ASSISTANCE

The Homeless and Housing Program (HHP) is designed to reduce the number of homeless individuals and families in Los Angeles County using a regional and multidimensional approach to increasing housing and support services. The HHP provides funding to: finance emergency shelters; provide for acquisition and/or predevelopment loans; provide for capital and operating subsidies; and provide ongoing funding for supportive services. The HHP will create more housing opportunities to prevent people from becoming homeless, enhance the capacity to re-house homeless individuals and families in units they can afford throughout the County, and increase homeownership opportunities.

2009-10 ADOPTED BUDGET

The 2009-10 Final Adopted Budget provides the minimum net County cost needed to meet State Maintenance of Effort (MOE) requirements. Continued funding of the MOE allows the Department to receive ongoing Sales Tax Realignment funding. The budget reflects a \$23.1 million net County cost decrease, and includes \$21.6 million in General Fund overmatch. The General Fund overmatch provides ongoing funding for County Hospitals' psychiatric emergency services decompression efforts, staffing for the Public Guardian's office, funding for Retiree Health Insurance costs and the Institutions for Mental Disease Residential Beds. The budget primarily includes changes for the following programs: 1) ongoing implementation of the Katie A Settlement Agreement to ensure children referred to the Department of Children and Family Services have ready access to multidisciplinary assessment and mental health services; 2) State funding for the continued implementation, including Board approved staffing increases, of the Mental Health Services Act (MHSA) Community Services and Supports Plan, as well as planning and early implementation of the Workforce Education Training, Prevention and Early Intervention Plans, and Information Technology plans which will restructure the mental health delivery system with a commitment to outcomes, wellness and recovery, and an emphasis to underserved ethnic populations; 3) Increase in the inpatient bed rates for the Fee for Service contract providers in order to maintain access to these services to continue to relieve the pressure in the jail system and DHS inpatient facilities; and 4) reductions in both Realignment funding and the State Managed Care allocation used in the fee-for-service Medi-Cal program, for indigent care, and throughout the mental health service delivery system.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects funding for negotiated salary and employee benefits increases; increased funding for a three year pilot Day Reporting Center project; increase in services for Title IV-E programs; increase in funding for the Vandalism Enforcement Team (VET); increase in State grant funding to fully implement the Youthful Offender Block Grant (YOBG) program; funding for the Education Reform program; increase in funding for the Van Nuys Child Care Center; and one-time carryover funding for the Homeless Initiative and the Van Nuys Child Care Center. The budget also reflects reductions in salaries and employee benefits, services and supplies and other charges as a result of curtailments; reductions in various one-time expenditures; the loss of State revenue due to a reduction in funding for the Mentally Ill Offender Crime Reduction (MIOCR) program, Juvenile Justice Crime Prevention Act program and Proposition 36 program and a reduction in federal revenues due to a reduction in funding for Justice Assistance Grant (JAG) program.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects an overall decrease of \$6.4 million in net County cost (NCC), primarily attributable to reductions in NCC related to the Department's share of the Countywide curtailment, reductions in State Sales Tax Realignment revenues, and the elimination of one-time funding for various Board and County discretionary projects. The Adopted Budget also reflects a net decrease of 112.0 budgeted positions, primarily attributable to the 2009-10 State Budget reductions; and a net increase in funding to support the Department's ongoing efforts to enhance pandemic influenza response. The FY 08-09 Actuals for Alcohol and Drug Program Administration does not reflect prior years' savings for the cancellation of commitments which are reported in General Fund Financing Elements.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects an overall increase in net County cost (NCC) for the Assistance and Administration Budgets.

The Administration Budget reflects an appropriation and revenue increase primarily due to federal stimulus funding through the American Recovery and Reinvestment Act (ARRA) of 2009 for a Transitional Subsidized Employment program; the County's 10,000 Job Initiative. However, overall NCC in the Administration Budget decreased, primarily due to reductions needed to address the County's 2009-10 structural deficit.

The Assistance Budget reflects additional funding to finance a projected 24.9% caseload increase in the General Relief Program, a projected 11.5% caseload increase in the CalWorks program, and a projected 7.8% caseload increase in the In-Home Supportive Services (IHSS) program. These increases are compounded by a projected decrease in State Sales Tax Realignment revenue, but are partially offset by increased Federal Medical Assistance Percentage (FMAP) revenue as a result of ARRA, in the IHSS Budget.

TRIAL COURT OPERATIONS

FUNCTION	FUND	ACTIVITY
PUBLIC PROTECTION	GENERAL FUND	JUDICIAL

The Lockyer-Isenberg Trial Court Funding Act (TCFA) of 1997 (Assembly Bill 233, Chapter 850, Statutes of 1997) provides long-term fiscal relief to counties by capping the counties' contribution for court operations. The TCFA requires counties to make an annual Maintenance of Effort (MOE) payment to the State for support of trial courts and to continue to fund certain court-related expenditures such as indigent defense, collection enhancement and local judicial benefits. The Trial Court Facilities Act (Senate Bill 1732, Chapter 1082, Statutes of 2002) authorized the transfer of responsibility for court facilities from the counties to the State and requires that counties make County Facilities Payment (CFP).

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects a net County cost decrease of \$4.9 million primarily attributable to increased revenue associated with the transfer of utility costs at courthouses from the County to the State Judicial Council in accordance with SB 1732 (The Trial Court Facilities Act of 2002). The budget also reflects a net appropriation increase for utility expenditures, increase funding for repairs and replacement equipment for the operation of power plants, and increased funding to certify ISD's headquarters building under the Leadership in Energy and Environmental Design program. The Adopted Budget also reflects \$10.5 million funding for energy retrofit projects from the Los Angeles Department of Water and Power litigation settlement.

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing Corporation (LAC-CAL) in 2009-10. The County Board of Supervisors has not allocated, reserved or otherwise set aside any funds in the County's 2009-10 Final Budget to purchase the equipment identified above.

It is officially the intention of the County Board of Supervisors that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board of Supervisors expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board of Supervisors with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects a reduction of \$9.0 million and 51.0 positions, primarily attributable to lower than anticipated property tax revenue, County contribution reduction; offset by the transfer of funding from Capital Projects Budget for start up costs for Acton and Topanga libraries, and Board-approved increases in salaries and employees benefits. This budget also reflects additions and reduction in funding from various sources based on current information and actual experience.

PUBLIC WORKS - SOLID WASTE MANAGEMENT FUND

FUNCTION	FUND	ACTIVITY
HEALTH AND SANITATION	PUBLIC WORKS - SOLID WASTE MANAGEMENT FUND	SANITATION

This fund was established by the Board of Supervisors on September 15, 1991 to comply with the mandates of the California Integrated Waste Management Act of 1989 (Assembly Bill 939). This Act required Los Angeles County and each city in the County to prepare, adopt, and implement their own waste diversion program in order to achieve the Act's waste reduction mandate. The Act also requires the Department to prepare the Countywide Integrated Waste Management Summary Plan and the Countywide Siting Element for all 88 cities within the County. Fund requirements are primarily financed by landfill tipping fees and the imposition of a per-parcel service charge on real property in the unincorporated areas.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects an overall increase primarily due to expansion of the Electronic Waste Management Program and existing waste reduction and recycling programs, offset by a reduction in contingencies, and primarily funded by an increase in Sanitation Services' revenue, which is primarily landfill tipping fees, and an increase in fund balance.

2009-10 ADOPTED BUDGET

The Internal Service Fund is designed to simplify billings for services provided between the multiple funds that finance Public Works' operations. This fund allows for salaries and employee benefits, material and supplies, and equipment charges for Public Works to be paid through the fund and the appropriate amounts recovered for each special fund.

The 2009-10 Adopted Budget reflects an overall increase primarily due to an increase in rendered services to other Public Works' funds and other County Departments, along with increases in salaries and employee benefits and equipment requirements for fixed assets equipment.

HEALTH CARE SELF-INSURANCE FUND

This fund was established by the Board of Supervisors on September 15, 1992, and became effective January 1, 1993. The fund provides non-represented employees with a self-funded health plan that offers a variety of health care options.

2009-10 ADOPTED BUDGET

This fund consists primarily of appropriation and federal revenue, including Housing and Community Development Act funds, required for the Commission's expenses related to housing, redevelopment and community revitalization. The Fiscal Year 2009-10 Adopted Budget increased by \$1.1 million in comparison the Fiscal Year 2008-09 adjusted budget. The increase is primarily due to new stimulus funding via HERA (Housing and Economic Recovery Act) and ARRA (American Recovery and Reinvestment Act). Additionally, CDBG funds decreased due to expenditure of prior years grants and lower activity within the 1st and 2nd District Capital Projects.

2009-10 ADOPTED BUDGET

This fund consists of appropriation and federal revenue primarily received from the Department of Housing and Urban Development (HUD) to fund Housing Authority expenses related to Conventional Housing, Modernization and Rental Subsidy Programs. The 2009-10 Adopted Budget increased by \$3.9 million in comparison to the Fiscal Year 2008-09 adjusted budget. The increase is primarily attributed to the \$2.5 million to address agency improvement for the Section 8 Housing Program. There is also higher allocations and program income within City of Industry Funds, which is offset by lower interest on Housing Assistance Program (HAP) reserves.

LANDSCAPE MAINTENANCE AND LLAD-LANDSCAPE DISTRICTS SUMMARY

FUND
VARIOUS

Landscape Maintenance Districts are established pursuant to the provisions of the Improvement Act of 1911, Streets and Highways Section 500 et seq. These Districts are specifically designed to create a tax entity in perpetuity for the purpose of maintaining landscape road medians, parkways, greenbelts, and other areas specifically designated in the formation of the District. Funding for these Districts is through ad valorem taxes.

The Landscaping and Lighting Act Districts are formed pursuant to the provisions of the Landscaping and Lighting Act of 1972 of Part 2 of Division 15 of the Streets and Highways Code of the State of California. These Districts provide for maintenance of landscaped areas and other open space areas designated within the boundary of the Districts for which maintenance easements have been granted to the County. Benefiting properties pay an assessment through their property taxes to maintain and service the landscaping and appurtenant improvements within these Districts.

REGIONAL PARK & OPEN SPACE DISTRICT SUMMARY

FUND
VARIOUS

This District was established as a result of voters' approval of the Safe Neighborhood Parks Proposition on November 3, 1992, under the provisions of the Landscape and Lighting District Act of 1972 and Section 5506.9 of the Public Resources Code. The District provides for park, recreation and open space capital projects in unincorporated and incorporated areas of Los Angeles County, and is financed with special assessments. On November 5, 1996, the voters approved a second Safe Neighborhood Parks Proposition. This second Proposition levied an additional assessment within the District, amended the method of the assessment, and authorized expenditure of District revenues for any authorized purpose of the District.

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects funding for increased energy costs and refurbishment of lighting standards in many of the districts, as well as increases in contingencies, designations, various revenues, and restoration of the property tax revenue associated with the property tax shift required by the Local Government Agreement.

PUBLIC WORKS-GARBAGE DISPOSAL DISTRICTS

FUND
VARIOUS

2009-10 ADOPTED BUDGET

The 2009-10 Adopted Budget reflects a net decrease primarily due to a reduction of one-time funding for the Stormwater and Urban Runoff Quality Program, a reduction in various projects due to the awarding of contracts in the prior fiscal year, a reduction in designations, and offset by an increase in appropriation for contingencies.

FINAL COUNTY BUDGET
REFERENCE SCHEDULES TO
THE BUDGETARY FINANCIAL STATEMENTS
IN THE COMPREHENSIVE ANNUAL FINANCIAL REPORT
FISCAL YEAR ENDED JUNE 30, 2009

In addition to the Final County Budget, the County also prepares a Comprehensive Annual Financial Report (CAFR), which contains financial statements that have been prepared in accordance with generally accepted accounting principles. Included in the CAFR are budgetary financial statements which have been prepared for certain governmental fund types. Because of the large number of individual funds and budget units, the CAFR financial statements are presented on an aggregated basis to combine funds, also known as fund groups, which are similar in nature.

These reference schedules identify the name of the individual fund or budget unit that makes up the detail for each CAFR fund group at the expenditure level by function. The reference schedule columns are defined below.

- 2009-10 Final Budget Page Reference column represents the detailed budgeted schedules for each fund or budget unit as shown in the 2009-10 Final County Budget Book.
- Adopted Budget column represents the original budget adopted by the County Board of Supervisors as shown in the 2008-09 Final County Budget Book.
- Adjusted Budget column represents the final fiscal year 2008-09 budget as shown in the 2009-10 Final County Budget Book.
- Actual on the Budgetary Basis column represents the actual expenditures, including encumbrances, and the actual revenue for fiscal year 2008-09 as shown in the 2009-10 Final County Budget Book.

The information is presented to demonstrate the budgetary control for each individual fund or budget unit within the fund group for each Statement/Schedule of Revenue, Expenditures, and Changes in Fund Balances - Budget and Actual on a Budgetary Basis as shown in the CAFR.
