NARRATIVE:

Randy Cerda is a documented gang member with an extensive adult criminal history that began at the age of 19. His convictions include 1st degree robbery, assault with a deadly weapon, possession of firearm, transportation and sales of controlled substances, multiple burglaries, possession of a switchblade, intoxication of drugs and alcohol, vandalism, use of PCP, multiple cases of possession of narcotics, forgery, metal knuckles violation, knife weapons violation and possession of smoking device. He has served multiple state prison terms, the longest being an 11 year state prison term for assault with a deadly weapon. Cerda was released from state prison to the supervision of the Los Angeles County Probation Department on September 10, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2018 after he absconded from post release community supervision (PRCS). Cerda qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for metal knuckles violation is defined as non-serious and non-violent under the California penal code. His gang member status, criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
