***Rebuild Lives and Provide for Healthier and Safer Communities***

d. FY 2020-21 CMJJP. [57-page handout]

Recommendation as submitted by the CMJJP Subcommittee: Adopt a CMJJP for the ensuing FY. The CMJJP has been developed based on a philosophy of partnership between diverse public agencies and community-based organizations to promote positive youth development and prevent youth delinquency through shared responsibility, collaboration, and coordinated action. The CMJJP serves as a theoretical and practical foundation on which programs and services are selected, implemented, evaluated, and continuously improved to maximize benefit to the youth population served.

e. FY 2020-21 JJCPA Funding Allocations Recommended by the CMJJP Subcommittee. [two-page handout]

1. Fund California Community Foundation in the Amount of \$9,512,087.40 for Youth Development (Public/Private Partnership) in Support of Primary Prevention.

Recommend: Funding year-two of the public-private partnership between the California Community Foundation (CCF) and the Los Angeles County (LAC) Probation Department (Probation) in support positive youth development programming/grantmaking across LAC. Through the program model of Ready to Rise, CCF identifies and disburses grants to community-based organizations to strengthen youth outcomes through direct services for youth ages 11-18.

2. Fund California State University, Los Angeles in the Amount of \$123,332.40 for Youth Development Framework in Support of Primary Prevention.

Recommend: Funding to continue to scale the wellbeing of at-risk (promise) and probation youth across LA County by boosting the network's capacity to deliver best practice youth development programming through a strategical roll out of multi-tiered professional staff development including, but not limited to, F2F workshops, on-site consultations, and online learning communities. Enhanced staff competence and confidence to develop and deliver best practice youth development programming will yield preventive and protective assets in youth that foray optimized life quality.

3. Fund City of Hawaiian Gardens in the Amount of \$69,425.00 for After School Programming in Support of Primary Prevention.

Recommend: Continue funding Youth Activities League (YAL) program in Hawaiian Gardens as a positive alternative to gang membership for children ages 7 to 17. The YAL's Managing Deputy actively works with local principals, school counselors, resource officers and athletic programs to provide support for local youth through participation in the YAL program.

4. Fund City of Los Angeles in the Amount of \$1,000,000.00 for Gang Reduction and Youth Development in Support of Intervention.

Recommend: Funds to support community-based organizations to provide youth and families juvenile reentry model services in the City of LA GRYD Zones as well as healing circles led by

intervention workers/navigators with lived experience. This work will be pursuant to the GRYD - Probation Reentry Partnership MOU.

5. Fund City of Los Angeles in the Amount of \$440,000.00 for Economic and Workforce Development in Support of Primary Prevention.

Recommend: Funding for three YouthSource sites and the Brotherhood Crusade Promise Academy. In total, the LA City sites will serve 120 young adults ages 14-18 who are justice/probation involved. The YouthSource Centers will serve juvenile probation youth in three neighborhoods in Los Angeles: Boyle Heights, South LA and Watts, across census tracts with an aggregate poverty rate of 29.64%.

6. Fund City of Los Angeles Housing Authority in the Amount of \$528,793.00 for Housing-Based Tutoring, Mentoring, Enrichment Activities in Support of Primary Prevention.

Recommend: Funding to support continued Housing-Based Tutoring, Mentoring, Enrichment Activities at 4 public housing sites to prevent delinquency and increase academic performance among the participants. The indicators will be improved attendance and academic performance, improved family functioning, and positive youth decision making and behavioral change.

7. Fund City of Los Angeles Recreation and Parks in the Amount of \$609,443.00 for Youth Employment Internships Program (YEIP) in Support of Primary Prevention.

Recommend: Fund YEIP. Three times a year the CLASS Parks Program runs a new track of YEIP (Youth Employment Internship Program) which provides hundreds of teens with pragmatic life skills (e.g. money management, professional etiquette, resume composition, job skills, communication and tolerance) valuable for facilitating a youth's transition into life after high school.

8. Fund LAC Beach and Harbors in the Amount of \$200,000.00 for Ocean Safety Day in Support of Focused Prevention/Early Intervention.

Recommend: Fund ocean safety and in-water participation programming. Curriculum includes C.P.R. and first-aid, rip currents, water sports, beach activities, and career opportunities with LAC Lifeguard.

9. Fund LAC Board of Supervisors in the Amount of \$810,281.00 for Board Approved Programs in Support of Primary Prevention.

Recommend: Carry forward unspent funding from prior FY to Board Offices.

10. Fund LAC Dept of Children and Families in the Amount of \$250,000.00 for Developing a LAC LGBTQ youth strategy in Support of Primary Prevention.

Recommend: Funding a multi-agency supported response to LGBTQ youth needs by establishing a comprehensive county-wide youth welfare strategy.

11. Fund LAC Dept. of Arts and Culture in the Amount of \$544,500.00 for Our Spot at Parks After Dark in Support of Primary Prevention.

Recommend: Funding to provide children and families (focusing on those most at-risk of exposure to the personal, social, and environmental conditions that contribute to involvement in the justice system) with year-round, healing-informed arts instruction within their own communities to minimize their chances of entering the juvenile justice system and maximize their chances of living healthy and stable lives. Services to be provided in nine LA County parks with Our SPOT programming.

12. Fund LAC Dept. of Arts and Culture in the Amount of \$891,000.00 for Parks After Dark in Support of Primary Prevention.

Recommend: Funding to provide children and families (focusing on those most at-risk of exposure to the personal, social, and environmental conditions that contribute to involvement in the justice system) with year-round, healing-informed arts instruction within their own communities to minimize their chances of entering the juvenile justice system and maximize their chances of living healthy and stable lives. Services to be provided in 34 LA County parks with Parks After Dark programming.

13. Fund LAC Dept. of Arts and Culture in the Amount of \$297,000.00 for After School Enrichment in Support of Primary Prevention.

Recommend: Funding to provide children and families (focusing on those most at-risk of exposure to the personal, social, and environmental conditions that contribute to involvement in the justice system) with year-round, healing-informed arts instruction within their own communities to minimize their chances of entering the juvenile justice system and maximize their chances of living healthy and stable lives. Services to be provided in three LA County parks with After School Enrichment programming.

14. Fund LAC Dept. of Arts and Culture in the Amount of \$1,557,000.00 for Arts in Institutions in Support of Intervention.

Recommend: Funding to provide children and families who are already impacted by the justice system with year-round, healing-informed arts instruction to address the factors leading to their behavior and reduce the likelihood of reoccurring involvement with the system. Services to be provided in: all eight juvenile detention facilities and all five juvenile day reporting centers.

15. Fund LAC Dept. of Arts and Culture in the Amount of \$443,000.00 for Arts in Institutions in Support of Focused Prevention/Early Intervention.

Recommend: Funding to provide children and families identified as having greater risk of becoming impacted by the justice system with year-round, healing-informed arts instruction to prevent them from entering the juvenile justice system and/or limit their involvement with the system once they are known to it. Services to be provided in: three High School/Continuation Schools and two Public Housing Sites.

16. Fund LAC Dept. of Mental Health in the Amount of \$496,722.00 for Multi-Systemic Therapy (MST) in Support of Focused Prevention/Early Intervention.

Recommend: Continuing funding MST, an evidence based and researched service for high-risk youth. Outcomes include a high number of youths living at home, remaining in school, or working, and avoiding future juvenile arrests. Funds for three MST teams operated by community-based providers.

17. Fund LAC Dept. of Mental Health in the Amount of \$4,231,111.00 for Mental Health Screening and Assessment in Support of Intervention.

Recommend: Funding to continue LAC DMH MHSAT programming seven days a week in two juvenile halls, five probation camps, one camp assessment center, and the Dorothy Kirby Center. Staff screen, assess, provide treatment, and respond to crises.

18. Fund LAC Dept. of Mental Health in the Amount of \$122,000.00 for Multi-Systemic Therapy Training and Consultation in Support of Focused Prevention/Early Intervention.

Recommend: Funding the necessary licensure and training which is required to deliver MST services. This ensures that MST is delivered by well-trained staff with high adherence to the MST treatment model, thus ensuring the excellent outcomes associated with MST.

19. Fund LAC Dept. of Mental Health in the Amount of \$1,142,103.00 for Community in Schools Initiative, Multi-Systemic Therapy (LACOE) in Support of Primary Prevention.

Recommend: Funds to provides MST (above) for 15 high schools in LA County, referrals provided by LACOE.

20. Fund LAC Dept. of Public Health in the Amount of \$287,500.00 for Youth Substance Abuse in Support of Intervention.

Recommend: Funds to cover the cost of treatment services for juvenile-justice involved youth. While Drug Medi-Cal (DMC) is now the primary payor for services provided to this population, DPH-SAPC relies on funding support from its partner agencies including Probation to continue to pay for the cost of Substance Use Disorder (SUD) services for their clients that are not covered under DMC and for clients who are eligible to receive services under their programs but who are not eligible for DMC.

21. Fund LAC Dept. of Public Health in the Amount of \$528,871.20 for Substance Abuse Prevention and Control (CENS) in Support of Intervention.

Recommend: Funds to provide Client Engagement and Navigation Services (CENS, which is designed to engage and connect youth at-risk or who meet medical necessity for SUD treatment services upon returning to the general community through a warm hand off approach. CENS navigators who are registered or certified SUD Counselors, will conduct SUD screening for each youth, identify the appropriate DPH-SAPC contracted SUD treatment provider and assist clients with scheduling appointments for a comprehensive SUD assessment or transition of treatment services, as well as following up with the client to ensure that they were able to access treatment.

22. Fund LAC Dept. of Public Health in the Amount of \$1,685,361.00 for Support Services in Support of Intervention.

Recommend: Fund Support Services (i.e., Outreach and Engagement Services, Positive Youth Development Programs, and Transportation Services) promote youth engagement and SUD treatment retention rates and "holistically address a youth's SUD related problems, surround youth with opportunities to succeed, and prevent more severe problems in adulthood" in alignment with the California Department of Health Care Services' (DHCS) current version of the Youth Treatment Guidelines

23. Fund LAC Development Authority in the Amount of \$566,318.00 for Housing-Based Tutoring, Mentoring, Enrichment Activities in Support of Primary Prevention.

Recommend: Funding to implement a place-based violence prevention and intervention program for at-risk and juvenile justice system involved youth at four public housing communities to support diversion practices, mitigate law enforcement contact, and provide a comprehensive approach to preventing delinquency.

24. Fund LAC District Attorney in the Amount of \$398,272.00 for Abolish Chronic Truancy (ACT) in Support of Primary Prevention.

Recommend: Fund five and one half of the six non-lawyer employees in the ACT Program. These employees give presentations to groups of parents of truant students regarding education laws and the importance of good attendance. After this initial group meeting, many parents take immediate steps to improve their child's attendance, and consequently they have no further involvement with the ACT Program. If attendance does not improve, a more personalized School Attendance Review Team (SART) meeting is held with a school administrator, ACT employee, and the parents. Studies show that truancy is the best predictor of whether youth will later commit crimes that send them to juvenile court and possible incarceration

25. Fund LAC Office of Education in the Amount of \$1,950,000.00 for Community-Based Safe Passages in Support of Focused Prevention/Early Intervention.

Recommend: Carryover unspent funds for community-based safe passages programming using a minimum of four part-time Community Ambassadors per school site. Engage residents and members of the community, including youth, to assist Community Ambassadors in fostering safe routes and safe zones and provide gang prevention and intervention activities at the school site(s), including but not limited to, school and class presentations, as well as individual and group counseling.

26. Fund LAC Office of Youth Diversion and Development in the Amount of \$10,500,000.00 for Diversion Programs and Services in Support of Focused Prevention/Early Intervention.

Recommend: Carryover funds to advance a youth development infrastructure in Los Angeles County and implement an evidence-informed model of pre-booking youth diversion that empowers community-based organizations as the providers of individualized care coordination

in lieu of arrest with the goal of equitably reducing young people's involvement with the justice system.

27. Fund LAC Parks and Recreation in the Amount of \$144,000.00 for Community-Based Safe Passages for Parks After Dark (City of LA) in Support of Primary Prevention.

Recommend: Carryover unspent funds for community-based safe passages programming using a minimum of four part-time Community Ambassadors per school site. Engage residents and members of the community, including youth, to assist Community Ambassadors in fostering safe routes and safe zones and provide gang prevention and intervention activities at the school site(s), including but not limited to, school and class presentations, as well as individual and group counseling.

28. Fund LAC Parks and Recreation in the Amount of \$504,430.00 for Friday Night Lights in Support of Primary Prevention.

Recommend: Fund the positive development of at-risk young people who attend programs in LAC parks consistent with prior FY funding levels. Continue supporting After School Program Services at Belvedere, Pamela and Lenox Parks, serving at-risk, foster care, and probation youth.

29. Fund LAC Parks and Recreation in the Amount of \$500,000.00 for Parks After Dark (PAD) in Support of Primary Prevention.

Recommend: Fund the PAD Youth Development & Anti-Violence programs through visual arts programs, digital media programs, gang reduction workshops, teen summits/conferences. Funds will be used for programs in the form of educational workshops, field trips, conferences, Summits, anti-violence conferences, and trainings/PD's for youth and staff.

30. Fund LAC Parks and Recreation in the Amount of \$64,000.00 for Community-Based Safe Passages for Parks After Dark (County sites) in Support of Primary Prevention.

Recommend: Fund the positive development of at-risk young people who attend programs in LAC parks consistent with prior FY funding levels. Continue supporting After School Program Services at Belvedere, Pamela and Lenox Parks, serving at-risk, foster care, and probation youth.

31. Fund LAC Probation in the Amount of \$150,000.00 for Positive Youth Development Tools/Training (UCLA Evaluation) in Support of Focused Prevention/Early Intervention.

Recommend: Carryover funding from previous FY to complete pilot tools, training, and UCLA evaluation.

32. Fund LAC Probation in the Amount of \$4,422,808.00 for School Based Supervision in Support of Intervention.

Recommend: Continue to fund School-Based Supervision Program to support the primary priority and protective factor for youth, which is school. Program. The school-based program consists of Deputy Probation Officers (DPOs) assigned to school sites to advocate and ensure that youth receive the collaborative resources available and alternatives to suspension or

expulsion, as the aim is to keep youth in school, receiving the maximum amount of daily instruction time while working closely with parents and guardians in enforcing regular school attendance, behavior and school performance, as well as compliance with all other terms of probation. The primary objective of these services is to increase the opportunity for the youth to achieve academic success, and to empower and support parents to become the primary charge agent for their children.

33. Fund LAC Probation in the Amount of \$1,278,537.25 for Credible Messenger/Mentorship in Custody in Support of Intervention.

Recommend: Carryover funds from prior FY to provide credible messenger and mentorship programs to youth in custody.

34. Fund LAC Probation in the Amount of \$3,949,536.00 for Early Intervention and Diversion Programs in Support of Intervention.

Recommend: Carryover funding for nine DMH contracted CBOs, who provide services across the Supervisorial Districts/Clusters. Most of the youth are eligible for Early and Periodic Screening, Diagnostic, and Treatment Services. Funds are utilized for the match and services for indigent youth and families who do not otherwise qualify for DMH support.

35. Fund LAC Probation in the Amount of \$1,000,000.00 for Restorative Justice Programs in Support of Intervention.

Recommendation: Continue funding Conflict Resolution via CBOs. This programming was originally funded through one-time growth funds that have been expended. Conflict Resolution and mediation is needed in all eight institutional facilities to mitigate youth violence and improve the development of youth. Estimated costs \$100,000.00 per camp facility, and \$200,000.00 per hall, totaling \$1,000,000.00 annually.

36. Fund LAC Probation in the Amount of \$149,325.00 for Front-End Services Programs in Support of Intervention.

Recommend: Carryover the remaining balance of funds allocated in previous FY.

37. Fund LAC Probation in the Amount of \$500,000.00 for JJCPA Evaluator (RAND) in Support of JJCPA Evaluation and Infrastructure.

Recommend: Funds for continuation contracted of JJCPA evaluation services consistent with the CMJJP.

38. Fund LAC Probation in the Amount of \$479,628.00 for Contract Auditing and Monitoring in Support of JJCPA Evaluation and Infrastructure.

Recommend: Continue funding contract auditing and monitoring services consistent with prior FY funding level.

39. Fund LAC Probation in the Amount of \$228,500.00 for Contracts and Fiscal in Support of JJCPA Evaluation and Infrastructure.

Recommend: Continue funding contracts and fiscal services consistent with prior FY funding level.

40. Fund LAC Probation in the Amount of \$211,748.16 for Administrative Overhead in Support of JJCPA Evaluation and Infrastructure.

Recommend: Administrative overhead costs consistent with JJCPA allowable maximum.

41. Fund LAC Probation in the Amount of \$5,000.00 for JJCC Meeting Expenses (Admin. Overhead) in Support of JJCPA Evaluation and Infrastructure.

Recommend: Funding for costs associated with JJCC meetings. Note: this funding does not increase administrative overhead funding beyond JJCPA allowable maximum.

42. Fund LAC Probation in the Amount of \$150,000.00 for JJCC Consultant in Support of JJCPA Evaluation and Infrastructure.

Recommend: Carryover funding to enable contracting of JJCC consulting services.

43. Fund LAC Probation in the Amount of \$200,000.00 for DMST/CSEC Programs in Support of Primary Prevention.

Recommend: Continue funding DMST and CSEC programming support.

44. Fund LAC Public Defender in the Amount of \$1,185,077.00 for Client Assessment Recommendation and Evaluation (CARE) in Support of Focused Prevention/Early Intervention.

Recommend: Continue funding CARE program's six psychiatric social workers and one supervisor to provide holistic in-house social workers and entitlements attorneys to secure more appropriate outcomes for approximately 15% of justice-involved youth with mental disabilities, learning disabilities, and histories of trauma.

45. Fund LAC Public Library in the Amount of \$1,000,000.00 for Mobile tutoring services in Support of Intervention.

Recommend: Fund LAC Public Library program to create community-based opportunities at various locations for youth to receive academic support, tutoring and remedial assistance to encourage literacy and to enhance core academic competencies, and to create incentivized book clubs and hold public speaking trainings.

46. Fund LAC Superior Court in the Amount of \$1,241,928.00 for Juvenile Mental Health Court in Support of Intervention.

Recommend: Funding for an interdisciplinary team which consists of a UCLA consulting child psychiatrist and psychologist, judge, prosecutor and defense counsel, specifically trained probation officers, psychiatric social worker and education advocate. The team approach is used to provide appropriate, comprehensive and multimodal rehabilitation plans that facilitate healthy trajectories for justice-involved youth with mental health disorders and developmental disabilities and to support them to function as productive members of the community.

47. Fund LAC Workforce Development, Aging & Community Services in the Amount of \$2,081,391.00 for Employment Services in Support of Intervention.

Recommend: Carryover the remaining balance of funds allocated in previous FY.

48. Fund LAC Workforce Development, Aging & Community Services in the Amount of \$1,000,000.00 for Vocational Training at Camps in Support of Intervention.

Recommend: Funding to provide approximately 120 youth with pre-apprenticeships and/or vocational training, inclusive of theory and knowledge, to receive an industry recognized certificate. This program aims to provide highly motivated justice detained youth with a work-based learning assignment related to the training program. The vocational training cohorts will link youth in Camps to their local America's Job Center of California (AJCC) upon release to continue services and to help the youth gain permanent unsubsidized employment related to their training program and certificate achieved.

49. Fund LAC Workforce Development, Aging & Community Services in the Amount of \$1,500,000.00 for Internships with LAC Animal Control, Parks & Rec, & Public Library in Support of Intervention.

Recommend: Funding for a partnership with local County departments (Parks, Library and/or Animal Control) through WDACS as a summer strategy to provide an incentive and rewards for probation youth. Moreover, this initiative would also serve as an opportunity for youth to interact with prosocial adults in their communities while learning a skill. Lastly, as a summer strategy, it provides resources for youth to purchase school clothes and supplies for the upcoming school year. As a strategy for the emerging adult with High School diploma, population will be introduced to the world of work which will serve as a foundation for future career/post-secondary decisions.

50. Fund Liberty Hill Foundation in the Amount of \$3,817,912.02 for Community-Based Organizations (CBO) Capacity Building (Public/Private Partnership) in Support of Capacity Building of CBOs.

Recommend: Continue funding to address the gaps present in CBOs working to advance youth development through a wide range of interventions that are also tackling complex systemic issues, often with few resources to build their own capacity to do this work. Funds provide a capacity-building program focused specifically on developing organizational core competencies for youth development organizations, such as leadership development, data tracking & evaluation, financial management, fundraising, and program refinement, through a racial equity lens.

51. Fund Los Angeles Homeless Services Authority in the Amount of \$200,000.00 for Coordinated Entry Services (Family Housing) in Support of Intervention.

Recommend: Funding to provide economic Stability for youth reentering the community from probation halls and camps through referral to CBOs that provide systems navigation, peer support, and auxiliary funds to stabilize the family to reunify youth (e.g. rental assistance, clothing, beds, etc.).

52. Fund Los Angeles Unified School District in the Amount of \$431,825.00 for Youth Mentorship for Students (LAUSD) in Support of Focused Prevention/Early Intervention.

Recommend: Carryover funding to enable continuation of LAUSD mentorship programming.

53. Fund Los Angeles Unified School District in the Amount of \$817,274.00 for Diversion Coordination of Services Program in Support of Primary Prevention.

Recommend: Funding LAUSD diversion programming for middle school students who formerly would have been WIC 236 eligible and students who are home on probation (i.e. WIC 827 notice sent to the Superintendent). Through Pupil Services and Attendance Counselors (PSA), programming will divert middle school students from initial contact with the juvenile justice system using approaches that are evidence-based, culturally relevant, trauma-informed, and developmentally appropriate. For those who have already had contact with law enforcement, the goal is to prevent recidivism and divert students from further arrests and/or petitions filed.
