- e. FY 2021-2022 JJCPA Funding Allocations Recommended by the CMJJP Subcommittee. *[four-page handout]*

1. Fund California Community Foundation in the amount of \$9,700,000.00 for Youth Development (Public Private Partnership) in Support of Primary Prevention.

Recommend: Funding year-three of the public/private partnership between the California Community Foundation (CCF) and the County of Los Angeles County (LAC) Probation Department (Probation), in support of positive youth development programming/grantmaking across LAC. Through the program model of Ready to Rise, CCF identifies and disburses grants to community-based organizations to strengthen youth outcomes through direct services for youth ages 11-18.

2. Fund California State University, Los Angeles (CSULA) in the amount of \$123,361.80 for Youth Development Framework in Support of Primary Prevention.

Recommend: Funding to continue to scale the wellbeing of at-risk, (Promise) and probation youth across L.A. County by boosting the network's capacity to deliver best practice youth development programming through a strategic roll out of multi-tiered professional staff development including, but not limited to, Family to Family (F2F) workshops, on-site consultations, and online learning communities. Enhanced staff competence and confidence to develop and deliver best practice youth development programming will yield preventative and protective assets in youth that foray optimized life quality.

3. Fund City of Hawaiian Gardens in the amount of \$70,000.00 for After-School Programming in Support of Primary Prevention.

Recommend: Continue funding Youth Activities League (YAL) as a positive alternative to gang membership and provides a haven for children, ages 7 to 17. The YAL's Managing Deputy actively works with local principals, school counselors, resource officers and athletic programs to provide support for local youth through participation in the YAL program.

4. Fund City of Los Angeles in the amount of \$1,000,000.00 for Gang Reduction and Youth Development (GRYD) in Support of Intervention.

Recommend: Funds to support community-based organizations provide youth and families juvenile reentry model services in the City of LA GRYD Zones as well as healing circles led by intervention workers/navigators with lived experience. This work will be pursuant to the GYRD – Probation Reentry Partnership MOU.

5. Fund City of Los Angeles Housing Authority in the amount of \$528,793.00 for Housing-Based Tutoring, Mentoring, Enrichment Activities (HOME) in Support of Primary Prevention.

Recommend: Funding to support continued Housing-based tutoring, mentoring and enrichment activities will be provided at four (4) public housing sites to prevent delinquency and increase academic performance among the participants. The indicators will be improved attendance and academic performance, improved family functioning, and positive youth decision making and behavioral change.

6. Fund City of Los Angeles Recreation and Parks in the amount of \$609,443.00 for Youth Employment Internships Program (YEIP) in Support of Primary Prevention.

Recommend: Fund YEIP. Three times a year the CLASS Parks Program runs a new track of YEIP which provides hundreds of teens with pragmatic life skills (e.g. money management, professional

etiquette, resume composition, job skills, communication and tolerance) valuable for facilitating a youth's transition into life after high school.

7. Fund City of Los Angeles Zoo in the amount of \$70,000.00 for the Junior Counselor Internship Program.

Recommend: Fund junior counselor internships as part of the Zoo's long-running summer zoo camp. This program will create a Junior Counselor-in-Training program to help up to six high school seniors gain paid experience in the Environmental Education Field. Our focus for recruiting for these positions will be in communities who historically are excluded from environmental careers and recreational opportunities.

8. Fund LAC Beach and Harbors in the amount of \$200,000.00 for Ocean Safety Day in Support of Focused Primary Prevention.

Recommend: Fund Ocean safety and in-water participation programming. Curriculum includes C.P.R. and first aid instruction, rip currents, water sports, beach activities, and career opportunities with LAC Lifeguard.

9. Fund LAC Board of Supervisors in the amount of \$528,813.22 for Board Approved Programs in Support of Primary Prevention.

Recommend: Carry forward unspent funding from prior FY to Board Offices.

10. Fund LAC Dept of Children and Families in the amount of \$250,000.00 for Developing a LAC LGBTQ Youth Strategy in Support of Primary Prevention.

Recommend: Carry forward unspent funding a multi-agency supported response to LGBTQ youth needs by establishing a comprehensive county-wide youth welfare strategy.

11. Fund LAC Office of Youth Diversion and Development (YDD) in the amount of \$9,041,348.00 for Diversion Programs and Services in Support of Focused Prevention/Early Intervention.

Recommend: Funds to advance a youth development infrastructure in LAC and implement an evidence-informed model of pre-booking youth diversion that empowers community-based organizations as the providers of individualized care coordination in lieu of arrest with the goal of equitably reducing young people's involvement with the justice system.

12. Fund LAC Dept of Arts in Communities (formerly Our Spot, parks after Daark and after School Enrichment) in the amount of \$1,732,500.00 in Support of Primary Prevention.

Recommend: Funding to provide children and families identified as having greater risk of becoming impacted by the justice system with year-round, healing-informed arts instruction within their own communities to minimize their chances of entering the juvenile justice system and maximize their chances of living healthy and stable lives.

13. Fund LAC Dept. of Arts and Culture in the amount of \$1,557,000.00 for Arts in Institutions in Support of Intervention.

Recommend: Funding to provide children and families who are already impacted by the justice system with year-round, healing-informed arts instruction to address the factors leading to their behavior and reduce the likelihood of reoccurring involvement with the system. Services to be provided in all juvenile detention facilities and all five juvenile day reporting centers.

14. Fund LAC Dept. of Arts and Culture in the amount of \$443,000.00 for Arts in Institutions in Support of Focused Prevention.

Recommend: Funding to provide children and families identified as having greater risk of becoming impacted by the justice system with year round, healing-informed arts instruction to prevent them from entering the juvenile justice system and/or limit their involvement with the system once they are known to it. Services to be provided in three High School/Continuation Schools and two Public Housing Sites.

15. Fund LAC Dept. of Mental Health in the amount of \$4,500,000.00 for Mental Health Screening and Assessment in Support of Intervention.

Recommend: Funding to continue LAC DMH MHSAT programming seven days a week and identifies symptoms associated with mental health issues in two juvenile halls, five probation camps, one camp assessment center, and the Dorothy Kirby Center. Staff screen, assess, provide treatment, and respond to crises.

16. Fund LAC Dept. of Mental Health in the amount of \$500,000.00 for Multi-Systemic Therapy (MST) in Support of Focused Prevention/Early Intervention.

Recommend: Continuing funding MST, an evidence based and researched service for high-risk youth. Outcomes include a high number of youths living at home, remaining in school, or working, and avoiding future juvenile arrests. Funds for three MST teams operated by community-based providers.

17. Fund LAC Probation in the amount of \$4,000,000.00 for Early Intervention and Diversion Programs in Support of Intervention.

Recommend: Carryover funding for nine DMH contracted CBOs, who provide services across the Supervisorial Districts/Clusters. Most of the youth are eligible for Early and Periodic Screening, Diagnostic, and Treatment Services. Funds are utilized for the match and services for indigent youth and families who do not otherwise qualify for DMH support.

18. Fund LAC Dept. of Mental Health in the amount of \$1,142,103.00 for Multi-Systemic Therapy (MST) Community in Schools Initiative, Multi-Systemic Therapy, (LACOE) in Support of Primary Prevention.

Recommend: Funds to provide MST (above) for (15) high schools in LA County, referrals provided by LACOE. The primary goals of MST are to decrease youth criminal behavior and out-of-home placements. The model is based on empirical data and evidence-based interventions that target specific behaviors with individualized behavioral interventions.

19. Fund LAC Dept. of Mental Health in the amount of \$122,000.00 for Multi-Systemic Therapy (MST) Training and Consultation in Support of Focused Prevention/Early Intervention.

Recommend: Funding the necessary licensure and training which is required to deliver MST services. This ensures that MST is delivered by well-trained staff with high adherence to the MST treatment model, thus ensuring the excellent outcomes associated with MST.

20. Fund LAC Dept. of Public Health in the Amount of \$1,685,361.00 for Support Services in Support of Intervention.

Recommend: Fund Support Services (i.e., Outreach and Engagement Services, Positive Youth Development Programs, and Transportation Services) promote youth engagement and SUD treatment retention rates and "holistically address a youth's SUD related problems, surround

youth with opportunities to succeed, and prevent more severe problems in adulthood" in alignment with the California Department of Health Care Services' (DHCS) current version of the Youth Treatment Guidelines.

21. Fund LAC Dept. of Public Health in the Amount of \$669,903.20 for Substance Abuse Prevention and Control (SAPC) – Client Engagement and Navigation System (CENS) in Support of Intervention.

Recommend: Funds to Provide CENS which is designed to engage and connect youth at-risk of who meet medical necessity for SUD treatment services upon returning to the general community through a warm hand off approach. CENS Navigators (registered or certified SUD Counselors) will conduct SUD screening for each youth. They will identify the appropriate DPH-SAPC contracted SUD treatment provider and assist clients with scheduling appointments for a comprehensive SUD assessment or transition of treatment services, as well as follow up with the client to ensure they were able to access treatment.

22. Fund LAC Dept. of Public Health in the Amount of \$417,080.00 for Youth Substance Abuse in support of Intervention.

Recommend: Funds to cover the cost of treatment services for juvenile-justice involved youth. While Drug Medi-Cal (DMC) is the primary payor, this funding support from agency partners including Probation continue to pay for Substance Abuse Disorder (SUD) services for some clients who are ineligible or not covered for DMC.

23. Fund LAC Dept. of Public Health Office of Violence Prevention in the amount of \$500,000.00 Trauma Prevention Initiative in Support of Capacity Building Training.

Recommend: Fund the Office of Violence Prevention Early Implementation Strategic Plan, adopted by the Board of Supervisors on September 29, 2020, expanding effective (TPI) strategies to additional communities throughout the county as part of OVP core infrastructure, and development of a Countywide Crisis Response System in collaboration with County partners. TPI plans to start a pilot cohort of the Peer to Peer Violence Prevention Learning Academy which will cross-train peer specialists in trauma informed practice and support peer system navigation.

24. Fund LAC Probation in the Amount of \$200,000.00 for Positive Youth Development Tools/Training (UCLA Evaluation) in Support of Capacity Building.

Recommend: Carryover funding from previous FY to complete pilot tools, training, and UCLA evaluation. The study is conducted in close partnership with the Department of Mental Health, Division of Juvenile Justice Mental Health Programs, Department of Health Services, Division of Juvenile Court Health Services and Probation.

25. Fund LAC Development Authority in the Amount of \$566,318.00 for Housing-Based Tutoring, Mentoring, Enrichment Activities in Support of Primary Prevention.

Recommend: Funding to implement a place-based violence prevention and intervention program for at-risk and juvenile justice system involved youth at four public housing communities to support diversion practices, mitigate law enforcement contact, and provide a comprehensive approach to preventing delinquency.

26. Fund LAC District Attorney in the Amount of \$398,272.00 for Abolish Chronic Truancy (ACT) in Support of Primary Prevention.

Recommend: Fund five and one half of the six non-lawyer employees in the ACT Program. These employees give presentations to groups of parents of truant students regarding education laws and the importance of good attendance. After this initial group meeting, many parents take immediate steps to improve their child's attendance, and consequently they have no further involvement with the ACT Program. If attendance does not improve, a more personalized School Attendance Review Team (SART) meeting is held with a school administrator, ACT employee, and the parents. Studies show that truancy is the best predictor of whether youth will later commit crimes that send them to juvenile court and possible incarceration.

27. Fund LAC CEO's Office LAC SEED School (Board-Directed MTA Partnership) in the Amount of \$1,000,000.00 in Support of Primary Prevention.

Recommend: Fund the SEED School of Los Angeles County, the state's first public boarding high school, in accordance with the Board of Supervisor's motion. The SEED School will focus on serving the most at-risk and resilient students from South L.A. and elsewhere in the county to prepare them for careers and college pathways in the transportation and infrastructure industry by teaching them transferrable industry skills. The 147,000 square foot campus will include 170 dorm rooms, 20 staff apartments, 20 classrooms, an art studio, science labs, a maker space lab, administration space, conference rooms, a gymnasium, a dining hall, outdoor recreation space, courtyards and a rooftop garden.

28. Fund LAC Office of Education in the Amount of \$590,475.60 for Tutoring in Camps and Halls in Support of Intervention.

Recommend: Fund LAC Office of Education to create detention-based opportunities at all camps and halls for youth to receive academic support, tutoring, and remedial assistance to encourage literacy and to enhance core academic competencies.

29. Fund LAC Office of Education in the Amount of \$1,462,500.00 Community-Based Safe Passages in Support of Focused Prevention/Early Intervention.

Recommend: Carryover unspent funds for community-based Safe Passages programming using minimum of four part-time Community Ambassadors per site. Engage residents and members of the community, including youth to assist Community Ambassadors in fostering safe routes and safe zones and provide gang prevention and intervention activities at the school site(s), including but not limited to, school and class presentations, as well as individual and group counseling.

30. Fund LAC Park and Recreation in the Amount of \$504,430.00 for After School Program (Friday Night Lights) in Support of Primary Prevention.

Recommend: Fund the positive development of at-risk young people who attend programs in LAC parks consistent with prior FY funding levels. Continue supporting After School Program Services serving at-risk, foster care, and probation youth. The program includes a unique curriculum specifically designed for teens growing up in urban communities that is both developmentally and culturally relevant.

31. Fund LAC Parks and Recreation in the Amount of \$564,000.00 for Parks After Dark (PAD) in Support of Primary Prevention.

Recommend: Fund the PAD Youth Development & Anti-Violence programs through visual arts programs, digital media programs, gang reduction workshops, teen summits/conferences. Funds

will be used for programs in the form of educational workshops, field trips, conferences, summits, anti-violence conferences, and trainings/PD's for youth and staff.

32. LAC Parks and Recreation in the Amount of \$144,000.00 for Community-Based Safe Passages for Parks After Dark in Support of Primary Prevention.

Recommend: Carryover unspent funds for community-based safe passages programming using a minimum of four part-time Community Ambassadors per school site. Engage residents and members of the community, including youth, to assist Community Ambassadors in fostering safe routes and safe zones and provide gang prevention and intervention activities at the school site(s), including but not limited to, school and class presentations, as well as individual and group counseling.

33. Fund LAC Department of Health Services, Office of Youth Diversion and Development in the Amount of \$250,000.00 for School-Based Supports on Truancy and Behavior Needs in Support of Primary Prevention.

Recommend: Fund diversion programming in high-needs schools to address behavior and attendance issues via CBO provider(s).

34. Fund LAC Probation in the Amount of \$4,422,808.00 for School Based Supervision in Support of Intervention.

Recommend: Continue to fund School-Based Supervision Program to support the primary priority and protective factor for youth, which is school. Program. The school-based program consists of Deputy Probation Officers (DPOs) assigned to school sites to advocate and ensure that youth receive the collaborative resources available and alternatives to suspension or expulsion, as the aim is to keep youth in school, receiving the maximum amount of daily instruction time while working closely with parents and guardians in enforcing regular school attendance, behavior and school performance, as well as compliance with all other terms of probation. The primary objective of these services is to increase the opportunity for the youth to achieve academic success, and to empower and support parents to become the primary charge agent for their children.

35. Fund LAC Probation in the Amount of \$1,078,537.25 for Credible Messenger/Mentorship in Custody in Support of Intervention.

Recommendation: Carryover funds from prior FY to provide credible messenger and mentorship programs to youth in custody.

36. Fund LAC Probation in the Amount of \$833,000.00 for Restorative Justice Programs in Support of Intervention.

Recommend: Carry forward funding Conflict Resolution program via CBOs. This programming was originally funded through one-time growth funds that have been expended. Conflict Resolution and mediation is needed in all eight institutional facilities to mitigate youth violence and improve the development of youth. Estimated costs \$100,000.00 per camp facility, and \$200,000.00 per hall, totaling \$1,000,000.00 annually.

37. Fund LAC Probation in the Amount of \$650,000.00 for In-Home Services to Prevent Detention (via CBOs) in Support of Intervention.

Recommend: Fund CBO-provided in-home services to youth on probation to prevent detention. This program provides intensive family-centered, home-based family support services to probation youth, ages 10-18 and their families across LA County serving all five supervisorial

districts. Services focus to prevent an ongoing escalation of criminal and delinquent behavior at the time of detention and promote school success.

38. Fund LAC Probation in the Amount of \$479,628.00 for Contract Auditing and Monitoring in Support of JJCPA Evaluation and Infrastructure.

Recommend: Continue funding contract auditing and monitoring services consistent with prior FY funding level.

39. Fund LAC Probation in the Amount of \$386,000.00 for JJCPA Evaluator (RAND) in Support of JJCPA Evaluation and Infrastructure.

Recommend: Funds for continuation contracted of JJCPA evaluation services consistent with the CMJJP.

40. Fund LAC Probation in the Amount of \$228,500.00 for Contracts and Fiscal in Support of JJCPA Evaluation and Infrastructure.

Recommend: Continue funding contracts and fiscal services consistent with prior FY funding level.

41. Fund LAC Probation in the Amount of \$211,748.16 for Administrative Overhead in Support of JJCPA Evaluation and Infrastructure.

Administrative overhead costs consistent with JJCPA allowable maximum.

42. Fund LAC Probation in the Amount of \$5,000.00 for JJCC Meeting Expenses (Admin. Overhead) in Support of JJCPA Evaluation and Infrastructure.

Recommend: Funding for costs associated with JJCC meetings. Note: this funding does not increase administrative overhead funding beyond JJCPA allowable maximum.

43. Fund LAC Probation in the Amount of \$150,000.00 for JJCC Consultant in Support of JJCPA Evaluation and Infrastructure.

Recommend: Carryover funding to enable contracting of JJCC consulting services.

44. Fund LAC Probation in the Amount of \$307,585.00 for DMST/CSEC Programs in Support of Primary Prevention.

Recommend: Continue funding DMST and CSEC programming support.

45. Fund LAC Public Defender in the amount of 1,185,077.00 for Client Assessment Recommendation and Evaluation (CARE) in Support of Focused Prevention/Early Intervention.

Recommend: Continue funding CARE program's six psychiatric social workers and one supervisor to provide holistic in-house social workers and entitlements attorneys to secure more appropriate outcomes for approximately 15% of justice-involved youth with mental disabilities, learning disabilities, and histories of trauma.

46. Fund LAC Public Library in the Amount of \$500,00.00 for Mobile tutoring services in Support of Intervention.

Recommend: Carry over funding for LAC Public Library program to create community-based opportunities at various locations for youth to receive academic support, tutoring and remedial

assistance to encourage literacy and to enhance core academic competencies, and to create incentivized book clubs and hold public speaking trainings.

47. Fund LAC Superior Court in the Amount of \$1,224,778.00 for Juvenile Mental Health Court in Support of Intervention.

Recommend: Funding for an interdisciplinary team which consists of a UCLA consulting child psychiatrist and psychologist, judge, prosecutor and defense counsel, specifically trained probation officers, psychiatric social worker and education advocate. The team approach is used to provide appropriate, comprehensive and multimodal rehabilitation plans that facilitate healthy trajectories for justice-involved youth with mental health disorders and developmental disabilities and to support them to function as productive members of the community.

48. Fund LAC Workforce Development, Aging & Community Services in the Amount of \$1,500,000.00 for Vocational Training at Camps in Support of Intervention.

Recommend: Funding to provide approximately 120 youth with pre-apprenticeships and/or vocational training, inclusive of theory and knowledge, to receive an industry recognized certificate. This program aims to provide highly motivated justice detained youth with a work-based learning assignment related to the training program. The vocational training cohorts will link youth in Camps to their local America's Job Center of California (AJCC) upon release to continue services and to help the youth gain permanent unsubsidized employment related to their training program and certificate achieved.

49. Fund LAC Workforce Development, Aging & Community Services in the Amount of \$1,225,000.00 for Internships with LAC Animal Control, Parks & Rec, & Public Library in Support of Intervention.

Recommend: Funding for a partnership with local County departments (Parks, Library and/or Animal Control) through WDACS as a summer strategy to provide an incentive and rewards for probation youth. Moreover, this initiative would also serve as an opportunity for youth to interact with prosocial adults in their communities while learning a skill. Lastly, as a summer strategy, it provides resources for youth to purchase school clothes and supplies for the upcoming school year. As a strategy for the emerging adult with High School diploma, population will be introduced to the world of work which will serve as a foundation for future career/post-secondary decisions.

50. Fund LAC Workforce Development, Aging & Community Services in the Amount of \$2,081,391.00 for Employment Services in Support of Intervention.

Recommendation: Carryover the remaining balance of funds allocated in previous FY. Collaboration between LAC Probation Department and WDACS is aimed to provide employment services leading to unsubsidized employment through the Youth@Work (Y@W) program for identified youth served by Probation across LA County within the five supervisorial districts.

51. Fund LAC Executive Office of the Board in the Amount of \$248,000.00 for the LAC Youth Commission in Support of Primary Prevention.

Recommend: Carryover and provide additional funding to support the operations of the LAC Youth Commission.

52. Fund Liberty Hill Foundation in the Amount of \$3,667,287.37 for Community-Based Organizations (CBO) Capacity Building (Public/Private Partnership) in Support of Capacity Building of CBOs.

Recommend: Continue funding to address the gaps present in CBOs working to advance youth development through a wide range of interventions that are also tackling complex systemic issues, often with few resources to build their own capacity to do this work. Funds provide a capacity-building program focused specifically on developing organizational core competencies for youth development organizations, such as leadership development, data tracking & evaluation, financial management, fundraising, and program refinement, through a racial equity lens.

53. Fund Los Angeles Homeless Services Authority in the Amount of \$1,300,000.00 for Coordinated Entry Services (Family Housing) in Support of Intervention.

Recommend: Funding to provide economic Stability for youth reentering the community from probation halls and camps through referral to CBOs that provide systems navigation, peer support, and auxiliary funds to stabilize the family to reunify youth (e.g. rental assistance, clothing, beds, etc.).

54. Fund Los Angeles Unified School District in the Amount of \$817,274.00 for Diversion Coordination of Services Program in Support of Primary Prevention.

Recommend: LAUSD diversion programming for middle school students who formerly would have been WIC 236 eligible and students who are home on probation (i.e. WIC 827 notice sent to the Superintendent). Through Pupil Services and Attendance Counselors (PSA), programming will divert middle school students from initial contact with the juvenile justice system using approaches that are evidence-based, culturally relevant, trauma-informed, and developmentally appropriate. For those who have already had contact with law enforcement, the goal is to prevent recidivism and divert students from further arrests and/or petitions filed.

55. Preserve an Emergent Needs Fund for JJCC Distribution in the Amount of \$896,527.78 (\$274,126.49 Growth Fund, \$622,401.29 Base Fund).

Recommend: Fund a reserve for emergent needs and to address the unprecedented volatility in multi-year program funding presented by the public health crisis of 2020.

56. Fund Los Angeles Unified School District in the Amount of \$431,825.00 for Youth Mentorship for Students (LAUSD) in Support of Focused Prevention/Early Intervention.

Recommend: Carryover funding to enable continuation of LAUSD mentorship programming.
