

Please DO NOT use Camp Scudder or Camp Scott to house serious or violent offenders. There are thousands of innocent citizens, residences and several schools all within walking distance of that facility. We only have one Sheriff Dept too, that struggles to respond to all the calls in a timely manner as it is.

Please, I implore you, to find a more appropriate place to house offenders, that does not put innocent families at such great risk.

Thank you
Michael and Dawn Scalzo
