To Whom It May Concern:

Alicia Bunton has served as Probation Officer at Manual High School for the past two and a half years. With the recent changes on LAUSD schools resulting in a loss of school police and other historic services, Ms. Bunton's impact on the campus site has become much more valuable. She is very thorough, communicates very well with staff and students, and her presence has become an anchor on campus while also being a deterrence to misconduct. Ms. Bunton has maintained professionalism in every encounter I have had with her or witnessed.

Respectfully,

Melvin Harris
Assistant Principal
Manual Arts High School
