

JJRBG Meeting December 15, 2021
Written Public Comments Submitted via E-mail
Agenda Item IV

1. Dennis Hunter

I'm against selecting Camp Scott in Saugus as the permanent site. It's too close to a residential neighborhood and makes the community feel extremely unsafe. This is not the appropriate environment to house violent youth offenders. Please see this from the community's perspective. Furthermore, the surrounding area is at a high risk for fire and flood, which poses safety and logistical risks if the youth are housed at Camp Scott.
