 - b. FY 2022-2023 JJCPA Funding Allocations Recommended by the CMJJP Subcommittee. *[one-page handout]* – line item 37 and line item 45.
- 37. Not Fund LAC Probation in the Amount of \$335,000.00 for Conflict Resolution in Institutions in Support of Intervention.**

Recommend: Not funding Conflict Resolution programming as it is provided through CBOs, using mediation and restorative justice to address trauma caused by violence. Helping youth practice empathy, and boosting social and emotional competence, is part of positive youth development, one of the guiding principles of the CMJJP. Youth will also build positive relationships with staff resulting in community engagement and restoration, which is another tenant of positive youth development.
- 45. Fund Public Private Partnership – Capacity Building in the Amount of \$1,500,000.00 for Community-Based Organizations (CBO) Capacity Building (Public/Private Partnership) in Support of Capacity Building of CBOs.**

Recommend: Funding to address the gaps present in CBOs working to advance youth development through a wide range of interventions that are also tackling complex systemic issues, often with few resources to build their own capacity to do this work. Funds provide a capacity-building program focused specifically on developing organizational core competencies for youth development

organizations, such as leadership development, data tracking & evaluation, financial management, fundraising, and program refinement, through a racial equity lens.
