## **NARRATIVE:**

Jaime Vidal has an extensive adult criminal history that began at the age of 18. His convictions include own/operate a chop shop, grand theft auto, felon in possession of a firearm, operate a place of drug sales, possession of controlled substances with firearm, transport/sell controlled substances armed with firearm, vehicle theft, and vehicular hit & run. He has served multiple state prison terms, the longest being a 12 year term for transport/sell controlled substances armed with firearm. Vidal was released from state prison to the supervision of the Los Angeles County Probation Department on November 12, 2021. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in May 2022 after he absconded from post release community supervision (PRCS). Vidal qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for felon in possession of a firearm is defined as non-serious and non-violent under the California penal code. His criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
