What do you mean by “sexual abuse” and “sexual harassment”?

Sexual abuse is when someone uses force, threats, intimidation, or pressure to make you do sexual things. Staff, volunteers, and contractors are **NEVER** allowed to have any sexual contact with youth. ⚠️🚫👉

Sexual harassment is when someone makes sexual comments or gestures to you that make you uncomfortable. Unwelcome sexual advances, comments about your body, asking about your sex life... that's all sexual harassment, and it's messed up! 😡
