**5. Fund LAC Department of Arts and Culture – Arts in Institutions in the amount of \$2,300,000.00 for Youth Development through the Arts in Support of Intervention.**

Recommend: Funding to sustain arts-based, healing-centered youth development for young people in five (5) detention facilities, two (2) juvenile halls, four (4) Juvenile Day Reporting Centers (JDRC), and three (3) Continuation high schools. Proposed activities will benefit incarcerated youth, youth in schools, and adults who work with youth impacted by the justice system.

<b>Target Population</b>	Justice involved youth
--------------------------	------------------------

<b>Geographic Service Area</b>	All five Supervisorial Districts		
<b>Original Amount Requested</b>	\$2,300,000.00	<b>Program: New, Revised, or same as last year</b>	Revised

6. **Fund LAC Beaches and Harbors in the amount of \$404,704.08 for Water Awareness Training Education Recreation (WATER) in Support of Primary Prevention, Focused Prevention/Early Intervention and Intervention.**

Recommend: Funding for the WATER program to teach ocean safety, providing sailing camps to youth in underserved communities, youth currently on probation and to additional at-promise youth who reside in high-risk areas. Activities include CPR and first aid instruction, recreation water activities such as kayaking, sailing, surfing, rip currents, beach activities and exposure to potential career opportunities with LAC Lifeguard.

<b>Target Population</b>	At-promise and justice involved youth		
<b>Geographic Service Area</b>	All five Supervisorial Districts		
<b>Original Amount Requested</b>	\$404,704.08	<b>Program: New, Revised, or same as last year</b>	Revised

7. **Fund California State University, Los Angeles (CSULA) in the amount of \$123,361.80 for Youth Development Framework in Support of Primary Prevention.**

Recommend: Funding for Activating Intentional Youth Development Approach (AIYDA) to continue to scale the wellbeing of at-risk, (at-promise) and probation youth across L.A. County by boosting the network’s capacity to deliver best practice youth development programming through a strategical roll out of multi-tiered professional staff development including, but not limited to, Family to Family (F2F) workshops, on-site consultations, and online learning communities. Enhanced staff competence and confidence to develop and deliver best practice positive youth development programming will yield preventative and protective assets in youth that foray optimized life quality.

<b>Target Population</b>	Los Angeles County Department of Probation personnel		
<b>Geographic Service Area</b>	All five Supervisorial Districts		
<b>Original Amount Requested</b>	\$123,361.80	<b>Program: New, Revised, or same as last year</b>	Same

8. **Fund City of Los Angeles Housing Authority in the amount of \$580,000.00 for Housing Opportunities for Mentoring and Education (HOME).**

Recommend: Funding to place-based violence prevention and intervention program for at-promise and juvenile justice involved youth and their families. Housing-based tutoring, mentoring and enrichment activities will be provided at four (4) public housing sites to prevent delinquency and increase academic performance among the participants. The indicators will be improved attendance and academic performance, improved family functioning, and positive youth decision making and behavioral change.

<b>Target Population</b>	Youth (ages10-18) and families residing in 4 public housing sites		
<b>Geographic Service Area</b>	Supervisorial Districts 1 & 2		
<b>Original Amount Requested</b>	\$580,000.00	<b>Program: New, Revised, or same as last year</b>	Same

9. **Fund City of Los Angeles Recreation and Parks in the amount of \$504,430.00 for Clean and Safe Spaces (CLASS) Parks Teen Program**

Recommend: Funding for CLASS Parks Teen Program, which is based on a youth development model addressing teen concerns, including isolation, substance abuse, educational struggles, gang involvement, and criminal activity, as systems of crumbling youth development infrastructure. CLASS operates 37 youth development sites and four (4) times a year runs a new track of Youth Employment Internships Program (YEIP), providing life skills valuable for facilitating a youth’s transition into life after high school. The life skills instructions are complemented by internship training courses (Camp Counseling and

Leadership Training, Outdoor Education and Leadership Training, Crime Scene Investigation and Leadership Training).

<b>Target Population</b>	At-promise youth, ages 11-17		
<b>Geographic Service Area</b>	37 youth development sites within the city of Los Angeles		
<b>Original Amount Requested</b>	\$504,430.00	<b>Program: New, Revised, or same as last year</b>	Same

**10. Fund City of Paramount (formerly City of Hawaiian Gardens) in the amount of \$119,968.00 for Youth Activities League (YAL) in Support of Primary Prevention, Focused Prevention/Early Intervention.**

Recommend: Funding for YAL's After-School Programming includes academic tutoring, fitness coach and life coach for youth. The program emphasizes education, promotes resiliency and connects youth and families with available resources.

<b>Target Population</b>	At-risk & youth with initial/early contact with L.E. & families for both		
<b>Geographic Service Area</b>	Supervisorial District 4		
<b>Original Amount Requested</b>	\$119,968.00	<b>Program: New, Revised, or same as last year</b>	Same

**11. Fund LAC Public Library in the Amount of \$1,072,000.00 for Probation Involved and At-Promise Youth in Support of Primary Prevention and Focused Prevention/Early Intervention.**

Recommend: Funding for LAC Public Library to offer in-person programs at the JDRCs, outreach into our communities offering at-Promise Youth opportunities to engage with the library outside of the library walls, and in-library programming at library locations in high need communities that serve larger populations of Probation Involved Youth where they can interact with other young people.

<b>Target Population</b>	Probation involved youth and at-promise youth		
<b>Geographic Service Area</b>	All 5 Supervisorial Districts		
<b>Original Amount Requested</b>	\$1,072,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**12. Fund LAC Department of Mental Health in the amount of \$496,722.00 for Multi-Systemic Therapy (MST) in Support of Focused Prevention/Early Intervention.**

Recommend: Funding for MST, an evidence-based and researched service for high-risk youth. Outcomes include a high number of youth living at home, remaining in school, or working, and avoiding future juvenile arrests. Funds for three MST teams operated by community-based providers.

<b>Target Population</b>	Youth, 12-18 years old		
<b>Geographic Service Area</b>	All Supervisorial Districts		
<b>Original Amount Requested</b>	\$496,722.00	<b>Program: New, Revised, or same as last year</b>	Same

**13. Fund LAC Department of Mental Health in the amount of \$104,450.00 for Multi-Systemic Therapy (MST) Training and Consultation (LLC Consultation) in Support of Focused Prevention/Early Intervention.** Recommend: Funding for the necessary licensure and training which is required to deliver MST services. This ensures that MST is delivered by well-trained staff with high adherence to the MST treatment model, thus ensuring the excellent outcomes associated with MST.

<b>Target Population</b>	Providers servicing youth (12-18 yrs. old) & families in the MST program		
<b>Geographic Service Area</b>	All Supervisorial Districts		
<b>Original Amount Requested</b>	\$104,450.00	<b>Program: New, Revised, or same as last year</b>	Same

Requested		as last year	
-----------	--	--------------	--

**14. Fund LAC Department of Mental Health in the amount of \$4,379,111.00 for Mental Health Screening and Assessment and Treatment in (MHSAT) Support of Intervention.**

Recommend: Funding for MHSAT programming seven days a week and identifies symptoms associated with mental health issues in two juvenile halls, four probation camps, one camp assessment center, and the Dorothy Kirby Center. Staff screen, assess, provide treatment, and respond to crises.

<b>Target Population</b>	Youth in juvenile halls and camps		
<b>Geographic Service Area</b>	Countywide population of youth		
<b>Original Amount Requested</b>	\$4,379,111.00	<b>Program: New, Revised, or same as last year</b>	Same

**15. Fund LAC Department of Mental Health in the amount of \$1,142,103.00 for Community in Schools Initiative - Multi-Systemic Therapy, (LACOE) in Support of Primary Prevention.**

Recommend: Funding to provide MST services to youth and families who are at risk of involvement in the justice system for schools in Los Angeles County. Referrals to MST providers will come directly from dedicated LACOE coordinators.

<b>Target Population</b>	Age, 12 to 18 with anti-social, and/or delinquent behavior.		
<b>Geographic Service Area</b>	The LACOE Community Schools; all Supervisorial Districts.		
<b>Original Amount Requested</b>	\$1,142,103.00	<b>Program: New, Revised, or same as last year</b>	Same

**16. Fund LAC Department of Mental Health in the amount of \$370,000.00 Early Intervention and Diversion Programs (EIDP) in Support of Focused Prevention/Early Intervention.**

Recommend: Funding the EIDP program to provide at-risk youth and their families with the coordinated supportive services necessary to reduce the likelihood of on-going delinquency. The overall goal of the EIDP is to divert youth at first contact and to provide services in lieu of the youth entering the delinquency system. The services include a comprehensive psycho-social assessment of the youth and their family. Services to the youth and family are tailored to meet their individual needs, including evidence based individual and family therapy, psychiatric consultation, parent support services, substance abuse services, benefit establishment, educational supportive services, and other services, as required.

<b>Target Population</b>	Non-detained youth between the ages of 12 and 17		
<b>Geographic Service Area</b>	All Supervisorial Districts		
<b>Original Amount Requested</b>	\$370,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**17. Fund LAC Department of Public Health Office of Violence Prevention in the amount of \$1,550,000.00 for Capacity Building for Violence Intervention Agencies in Support of Capacity Building for CBOs.**

Recommend: Funding for DPH Office of Violence Prevention (OVP) to implement a third phase of Capacity Building Training and Technical Assistance (TTA) for grassroots organizations as part of the Trauma Prevention Initiative (TPI). Early Implementation Strategic Plan, adopted by the Board of Supervisors on September 29, 2020, expanding effective (TPI) strategies to additional communities throughout the county as part of OVP core infrastructure, and development of a Countywide Crisis Response System in collaboration with County partners.

<b>Target Population</b>	20 community-based organizations that work with youth and families.		
<b>Geographic Service Area</b>	District 1, 2, 4 and 5		
<b>Original Amount Requested</b>	\$1,550,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**18. Fund LAC Department of Public Health in the Amount of \$215,000.00 for Positive Youth Development Evaluation (PYDE).**

Recommend: Funding for DPH to implement a second phase of PYDE. DPH's Office of Violence Prevention (OVP) will contract with an evaluator to assess program components and common and unique impact indicators across up to ten JJCPA funded youth development programs. PYDE will build on previous evaluations and add programs working with institutionalized youth and engaging justice and system involved youth voices in developing a framework for positive youth development.

<b>Target Population</b>	5 school districts, vulnerable youth, probation youth, across the county.		
<b>Geographic Service Area</b>	All Supervisorial Districts		
<b>Original Amount Requested</b>	\$215,000.00	<b>Program: New, Revised, or same as last year</b>	Revised

**19. Not Fund LAC Department of Public Health in the Amount of \$0.00 for Substance Abuse Prevention and Control (SAPC) – Client Engagement and Navigation System (CENS) in Support of Intervention.**

Recommend: Not fund due to carryover balance from prior JJCPA funding allocations. The prior funding will provide CENS, which is designed to engage and connect youth at-risk who meet medical necessity for SUD treatment services upon returning to the general community through a warm hand off approach. CENS Navigators (registered or certified SUD Counselors) will conduct SUD screening for each youth. They will identify the appropriate DPH-SAPC contracted SUD treatment provider and assist clients with scheduling appointments for a comprehensive SUD assessment or transition of treatment services, as well as follow up with the client to ensure they were able to access treatment.

<b>Target Population</b>	Youth, ages 12-17 and young adults, ages 18-20) at juvenile halls.		
<b>Geographic Service Area</b>	All five Supervisorial Districts		
<b>Original Amount Requested</b>	\$718,784.00	<b>Program: New, Revised, or same as last year</b>	Same

**20. Not Fund LAC Department of Public Health in the Amount of \$0.00 for Youth Substance Abuse.**

Recommend: Not fund due to carryover balance from prior JJCPA funding allocations. The prior funding will cover the cost of treatment services for juvenile-justice involved youth. While Drug Medi-Cal (DMC) is the primary payor, this funding support from agency partners including Probation continue to pay for Substance Abuse Disorder (SUD) services for some clients who are ineligible or not covered for DMC. JJCPA at-risk and Probation youth, and their families who reside in Los Angeles County, may also be referred by other County Departments and youth- serving entities such as the Department of Health Services, Department of Mental Health, Probation Department, and Department of Children and Family Services or through a self- referral. This includes referrals by school-based and other Probation Officers.

<b>Target Population</b>	Youth (ages 12-17) who are actively enrolled in a program		
<b>Geographic Service Area</b>	The program/project serves all SPAs and Supervisorial Districts.		
<b>Original Amount Requested</b>	\$292,800	<b>Program: New, Revised, or same as last year</b>	Same

Requested		as last year	
-----------	--	--------------	--

**21. Not Fund LAC Department of Public Health for Youth Enhancement Services (YES) in the Amount of \$0.00 in Support of Focused Prevention/Early Intervention.**

Recommend: Not fund due to carryover balance from prior JJCPA funding allocations. The prior funding will support the YES program aimed at engaging and retaining at-risk youth in SUD Early Intervention and treatment services and preventing entry into or repeat involvement in the juvenile justice system. Support services (i.e., Outreach and Engagement Services, Positive Youth Development Programs, and Transportation Services) promote youth engagement and SUD treatment retention rates and "holistically address a youth's SUD related problems, surround youth with opportunities to succeed, and prevent more severe problems in adulthood" in alignment with the California Department of Health Care Services' (DHCS) current version of the Youth Treatment Guidelines.

<b>Target Population</b>	Ages 12-17 enrolled in a treatment program or at-risk for an SUD.		
<b>Geographic Service Area</b>	All service planning areas and supervisorial districts.		
<b>Original Amount Requested</b>	\$292,800	<b>Program: New, Revised, or same as last year</b>	Same

**22. Fund LAC Department of Youth Development (DYD) in the amount of \$8,209,000.00 for Diversion Programs and Services in Support of Focused Prevention/Early Intervention.**

Recommend: Funding to advance a youth development infrastructure in Los Angeles County and implement an evidence-informed model of pre-booking youth diversion that empowers community-based organizations as the providers of individualized care coordination in lieu of arrest with the goal of equitably reducing young people's involvement with the justice system.

<b>Target Population</b>	Youth under 18 years via CBOs		
<b>Geographic Service Area</b>	All supervisorial districts and L.E. agencies with countywide coverage		
<b>Original Amount Requested</b>	\$8,209,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**23. Fund LAC Parks and Recreation in the Amount of \$208,000.00 for Safe Passages for OUR Spot Teen After-School Programs in Support of Primary Prevention and Focused Prevention/Early Intervention.**

Recommend: Funding for community-based recreation health equity programs and services. Safe Passages will incorporate a youth led peer approach that utilizes trained gang interventionists and ambassadors to implement peace keeping among gang impacted neighborhoods to ensure safety to and from parks, and during park activities. The curriculum engages youth at-promise in the park programming, and when needed, provides crisis intervention services.

<b>Target Population</b>	Teen programs are tailored for youth between 7th and 12th grade		
<b>Geographic Service Area</b>	Supervisorial Districts: First and Second		
<b>Original Amount Requested</b>	\$208,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**24. Fund LAC Parks and Recreation in the Amount of \$1,020,000.00 for Parks After Dark (PAD) in Support of Primary Prevention, Focused Prevention/Early Intervention.**

Recommend: Funding for programs to promote healthy activities, curb violence and gang-related crimes through youth and community engagement and wellness programs. PAD

will transform 34 PAD Parks into Winter Wonderlands with snow. The events will provide youth and their families a place to spend their winter break and an opportunity to bond with each other and build relationships with their communities while participating in fund and free activities.

<b>Target Population</b>	Serving youth and families living adjacent to PAD parks		
<b>Geographic Service Area</b>	Supervisory Districts: 1, 2, 3, 4, and 5.		
<b>Original Amount Requested</b>	\$1,020,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**25. Fund LAC Parks and Recreation in the Amount of \$504,430.00 for After School Enrichment and Supervision Youth Programs & Our SPOT in Support of Primary Prevention.**

Recommend: Funding for the positive development of at-risk young people who attend programs in LAC parks consistent with prior FY funding levels. Continue supporting After School Program Services serving at-risk, foster care, and probation youth. The program includes a unique curriculum specifically designed for teens growing up in urban communities that is both developmentally and culturally relevant.

<b>Target Population</b>	Serving youth between 2nd grade to 12th grade.		
<b>Geographic Service Area</b>	Supervisory Districts: 1,2,4,5		
<b>Original Amount Requested</b>	\$504,430.00	<b>Program: New, Revised, or same as last year</b>	Same

**26. Fund LAC Public Defender in the Amount of \$1,354,000.00 for Client Assessment Recommendation and Evaluation (CARE) in Support of Intervention.**

Recommend: Funding for CARE program's three Mental Health Clinical Supervisors, thirteen Psychiatric Social Workers and thirteen Resource Attorneys, who work with holistic in-house social workers and entitlements attorneys, to secure more appropriate outcomes for approximately 15% of justice-involved youth with mental disabilities, learning disabilities, and histories of trauma.

<b>Target Population</b>	Youth in the Delinquency Court system throughout Los Angeles County.		
<b>Geographic Service Area</b>	Serving youths in all eight SPAs and five Supervisory Districts.		
<b>Original Amount Requested</b>	\$1,354,000.00	<b>Program: New, Revised, or same as last year</b>	Same

**27. Fund LAC Superior Court in the Amount of \$1,594,562.00 for Special Needs Court-Juvenile Mental Health Court.**

Recommend: Funding for an interdisciplinary team which consists of a UCLA consulting child psychiatrist and psychologist, judge, prosecutor and defense counsel, specifically trained probation officers, psychiatric social worker and education advocate. The team approach is used to provide appropriate, comprehensive and multimodal rehabilitation plans that facilitate healthy trajectories for justice-involved youth with mental health disorders and developmental disabilities and to support them to function as productive members of the community.

<b>Target Population</b>	Youth that are severely mentally ill and may have additional risk factors.		
<b>Geographic Service Area</b>	Serving youth in all SPAs and supervisory districts.		
<b>Original Amount Requested</b>	\$1,594,562.00	<b>Program: New, Revised, or same as last year</b>	Same

28. **Fund Los Angeles Unified School District in the Amount of \$1,139,681.12 for Diversion Coordination of Services Program.**

Recommend: Funding for LAUSD diversion programming for middle school students who formerly would have been WIC 236 eligible and students who are home on probation (i.e. WIC 827 notice sent to the Superintendent). Through Pupil Services and Attendance Counselors (PSA), programing will divert middle school students from initial contact with the juvenile justice systems using approaches that are evidence-based, culturally relevant, trauma-informed, and developmentally appropriate.

<b>Target Population</b>	Students identified behavior concerns and chronic attendance		
<b>Geographic Service Area</b>	SPAs 2,4,5,6,7,8 and all supervisorial districts.		
<b>Original Amount Requested</b>	\$1,139,681.12	<b>Program: New, Revised, or same as last year</b>	Same

29. **Fund Public Private Partnership - JJCPA Fiscal Intermediary Services in the amount of \$12,927,514.25 for Youth Development (Public Private Partnership) in Support of Primary Prevention (Grant Making).**

Recommend: Funding for Public Private Partnership in support of positive youth development programming/grantmaking across LAC. The program model of shall identify and disburses grants to community-based organizations to strengthen youth outcomes through direct services for youth ages 11-18.

30. **Fund Public Private Partnership – Capacity Building in the Amount of \$4,500,000.00 for Community-Based Organizations (CBO) Capacity Building (Public/Private Partnership) in Support of Capacity Building of CBOs.**

Recommend: Funding to address the gaps present in CBOs working to advance youth development through a wide range of interventions that are also tackling complex systemic issues, often with few resources to build their own capacity to do this work. Funds provide a capacity-building program focused specifically on developing organizational core competencies for youth development organizations, such as leadership development, data tracking & evaluation, financial management, fundraising, and program refinement, through a racial equity lens.
