LOS ANGELES COUNTY COMMISSIONERS

COUNTY-RELATED FINANCIAL DISCLOSURE QUESTIONNAIRE

The following questionnaire requests certain information with respect to the financial and other interests that may be connected with the County or with your duties as a commissioner, committee member, or board member. In the spirit of the purposes of such disclosure, your answers should be liberally construed to disclose any interests that might be reasonably expected to be particularly affected by commission/committee/board action or to be disclosed in the public interest. Before answering any of the questions, please read the definitions listed below carefully; they are intended to further your understanding of the types of information that should be disclosed.

NOTE: The information called for in the financial disclosure questionnaire relates only to income, real property, investments, or business interests which are the subject of business transactions with the County, or which are subject to the regulation, inspection, or enforcement authority of the County or of the commission, committee or board for which you are being considered for appointment. YOU ARE NOT REQUIRED to disclose this information if such is not the case.

When describing any investment of business interest, you need only describe it sufficiently to identify it. Thus, with respect to real property, the address or other precise identification of the location would be given. With respect to ownership interests in business entities the name of the business entity and a statement of the nature of your interest (e.g., common stock, partnership interest, director, trustee, etc.) is sufficient. With respect to disclosure of remuneration, the business entity that is the source should be described, but the nature of the income (e.g., dividends, salary, etc.) need not be described.

DEFINITIONS

"Interest in real property" includes any leasehold, beneficial or ownership interest or an option to acquire such an interest in real property if the fair market value of the interest is greater than two thousand dollars (\$2,000). Interests in real property of an individual include a pro rata share of interests in real property of any business entity or trust in which the individual or his immediate family owns directly, indirectly or beneficially, a ten percent interest or greater.

"Investment" means any financial interest in or security issued by a business entity, including but not limited to common stock, preferred stock, rights, warrants, options, debt instruments and any partnership or other ownership interest, if the business entity or any parent, subsidiary or otherwise related business entity has an interest in real property in the County, or does business with the County, plans to do business with the County, or has done business with the County at any time during the last two years. No asset shall be deemed an investment unless its fair market value exceeds two thousand dollars (\$2,000). The term "investment" does not include a time or any insurance policy, interests in a diversified mutual fund registered with the Securities and Exchange Commission under the Investment Company Act of 1940 or a common trust fund which is created pursuant to Section 1564 of the Financial Code, or any bond or other debt instrument issued by any government or government agency. Investments of an individual DO include a pro rata share of investments of any business entity or trust in which the individual or his immediate family owns directly, indirectly or beneficially, a ten percent interest or greater.

"Income" means income of any nature from any source including, but not limited to, any salary, wage, advance, payment, dividend, interest, rent, capital gain, or return of capital. Income of an individual also includes a pro rata share of any income of any business entity or trust in which the individual or his immediate family owns directly, indirectly or beneficially, a ten percent interest or greater.
