NARRATIVE:

Marcel Johnson is a documented gang member and has an extensive adult criminal history that began at the age of 18. His convictions include: carry loaded firearm, controlled substance possession for sale, assault with a deadly weapon, possession of controlled substance, battery, transport/sell controlled substance, possession of narcotic controlled substance, resist, domestic violence with injury, unlicensed driver, and false id to peace officer. He has served multiple state prison terms, the longest being an eight year term for assault with a deadly weapon. Johnson was released from state prison to the supervision of the Los Angeles County Probation Department on 1/25/2022. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2023 after he absconded from post release community supervision (PRCS). Johnson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for carrying a loaded firearm is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
