NARRATIVE:

Rachel Resendez has an extensive adult criminal history that began at the age of 18. Her convictions include: trespassing, evade peace officer, vehicle theft, grand theft auto, dui of drug, and vehicle tamper. She has served multiple state prison terms, the longest being a sixteen month term for vehicle theft and evading. Resendez was released from state prison to the supervision of the Los Angeles County Probation Department on 04/09/2021. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. She subsequently failed to report to her probation officer and an arrest warrant was issued in August 2023 after she absconded from post release community supervision (PRCS). Resendez qualified to be released to the supervision of probation, under AB 109, because her current commitment offense for evading is defined as non-serious and non-violent under the California penal code. Her criminal history, gang member status and current failure to comply with the terms of release make her a most wanted. If you know her whereabouts please contact...
