## **NARRATIVE:**

Hideichi Kuwata has an extensive adult criminal history that began at the age of 18. His convictions include: drug paraphernalia, possession of controlled substance, obstruct/resist, terrorist threats, assault with a semiautomatic rifle, and controlled substance possession with a firearm. He has served multiple state prison terms, the longest being a thirty-two month prison term for obstructing. Kuwata was released from state prison to the supervision of the Los Angeles County Probation Department on 04/13/2023. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in September 2024 after he absconded from post release community supervision (PRCS). Kuwata qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for obstructing is defined as non-serious and non-violent under the California penal code. His criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
