NARRATIVE:

Scot Tennyson has an extensive adult criminal history that began at the age of 18. His convictions include: transport/sell controlled substance, attempted burglary, marijuana possession, burglary, evade peace officer with great bodily injury, suspended license, petty theft, carry concealed weapons, resist, and trespass. He has served multiple state prison terms, the longest being a two year prison term for burglary. Tennyson was released from state prison to the supervision of the Los Angeles County Probation Department on 03/05/2015. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2016 after he absconded from post release community supervision (PRCS). Tennyson qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transport/sell controlled substance is defined as non-serious and non-violent under the California penal code. His criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
