NARRATIVE:

Chris Horn has an extensive adult criminal history that began at the age of 18. His convictions include: burglary, assault, domestic violence with injury, possession of burglary tools, trespassing, vehicle theft, possess controlled substance, petty theft, elder/dependent abuse, and damage jail/prison. He has served multiple state prison terms, the longest being a three year prison term for elder/dependent abuse. Horn was released from state prison to the supervision of the Los Angeles County Probation Department on 06/15/2023. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in June 2024 after he absconded from post release community supervision (PRCS). Horn qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for elder/dependent abuse is defined as non-serious and non-violent under the California penal code. His criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
