**SUBJECT: MODIFICATION TO THE ADULT PROBATION SYSTEM (APS)
REQUEST FOR CALENDER DATE (RQDT) SCREEN**

Effective June 24, 2005, the use of the Adult Probation System (APS), Request for Calendar Date (RQDT) screen was modified to allow for the supervision officer to add a future court date when necessary. DPOs can now select the "A" action code for all court ordered reports. The action code "Q" may be selected anytime the DPO is requesting a set-on. The new access will enable the officer too generate court reports via the Departments Court Report Web System (CRWS) without any necessary delays.
