

COUNTY OF LOS ANGELES
PROBATION DEPARTMENT
DIRECTIVE

No.: 1305

Issued: 12/12/12

Post Until: 01/12/13

SUBJECT: Approved Adult Sexual Offender Treatment Programs List

(This Directive supersedes Directive 1301, issued September 10, 2012)

Assembly Bill 1844, known as "Chelsea's Law", was passed by the State Legislature and signed by the Governor of California making it mandatory for sex offenders to attend Sex Offender Treatment programs effective July 1, 2012.

Pursuant to Penal Code Section 290.09 (a) (1), "Every sex offender required to register pursuant to Sections 290 to 290.023, inclusive, shall, while on formal probation, participate in a certified sex offender management program, pursuant to Sections 1203.067 and 3008."

This section does not include:

- Sex offenders who are only on probation for a non-sex related crime (i.e. burglary)
- Sex offenders who are only on probation for a "failure to register" as a sex offender

However, the Deputy Probation Officer (DPO) has the authority to require a probationer be evaluated by a treatment provider to determine if treatment is needed. If both parties determine the probationer would benefit from treatment, the DPO shall instruct the probationer to enroll in and complete a Sex Offender Treatment program.

Effective immediately, all registrable sex offenders, identified above, shall enroll in and complete one of the certified Sex Offender Treatment programs listed on the Department's "Approved Adult Sexual Offender Treatment Programs" list, published by the Domestic Violence/Child Abuse/Adult Sexual Offenders Monitoring Unit. The list is available and may be accessed on Probnet.

The Domestic Violence/Child Abuse/Adult Sexual Offenders Monitoring Unit will monitor Sex Offender Treatment programs for compliance. The monitoring unit will also, on a regular basis, provide both the Courts and Probation with an updated certified list of approved programs. **The Probation Department shall only utilize treatment providers listed on the "Approved Adult Sexual Offender Treatment Programs" list.** Attached is the most current list. **Please note: The certified list is subject to change periodically.** DPOs supervising sexual offenders shall ensure probationers are informed of this requirement and that they enroll in a certified sex offender treatment program.

Questions or concerns regarding this Directive shall be directed to the SRG Consultant at (909) 865-6332.
