NARRATIVE:

Garcia has an extensive adult criminal history that began at the age of 20. His convictions include assault with a deadly weapon, first degree robbery, possession of firearm by a felon, inflicting corporal injury on a spouse, burglary, contempt of court, possession of narcotic controlled substance, multiple convictions for transportation of controlled substance, false identification to peace officers and parole violations. He has served multiple state prison terms the longest a four (4) year term for first degree robbery. Garcia was released from state prison to the supervision of the Los Angeles County Probation Department on January 07th, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Garcia qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transporting controlled substance is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
