NARRATIVE:

Ronaldo Leal is a documented gang member and has an extensive adult criminal history that began at the age of 26. His convictions include possession of dangerous weapons, assault with a deadly weapon with great bodily injury, multiple theft convictions, battery on a peace officer with injury, robbery, violation of parole, possession of controlled substances and failing to report. He has served multiple state prison terms, the longest being a 44 month term for possession of controlled substances. Leal was released from state prison to the supervision of the Los Angeles County Probation Department on October 9, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2014 after he absconded from post release community supervision (PRCS). Leal qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
