

[REVISED]
DATA TO BE USED FOR 2011 DECENNIAL REDISTRICTING
OF LOS ANGELES COUNTY

1. 2010 CENSUS PL94 REDISTRICTING DATA

This data provides population tools and demographic information by census tract and is intended to be used for the redistricting process. This data should be available in late March 2011, but by no later than April 1, 2011.

2. CENSUS DATA ANALYSIS

The Department of Justice and/or the Federal Office of Management and Budget will continue to provide authoritative guidance on the aggregation and allocation of multiple racial/ethnic category responses. In addition, data collected by the Bureau of the Census through the American Community Survey (ACS) program will also be used to help ascertain demographic data like gender, age, and citizenship.

3. ELECTION DATA FROM REGISTRAR-RECORDER/COUNTY CLERK

This data summarizes how people voted and who they voted for. The information is summarized by precinct and is used for redistricting purposes. Selected elections include the following for the various contested offices, state measures and all county-wide measures:
